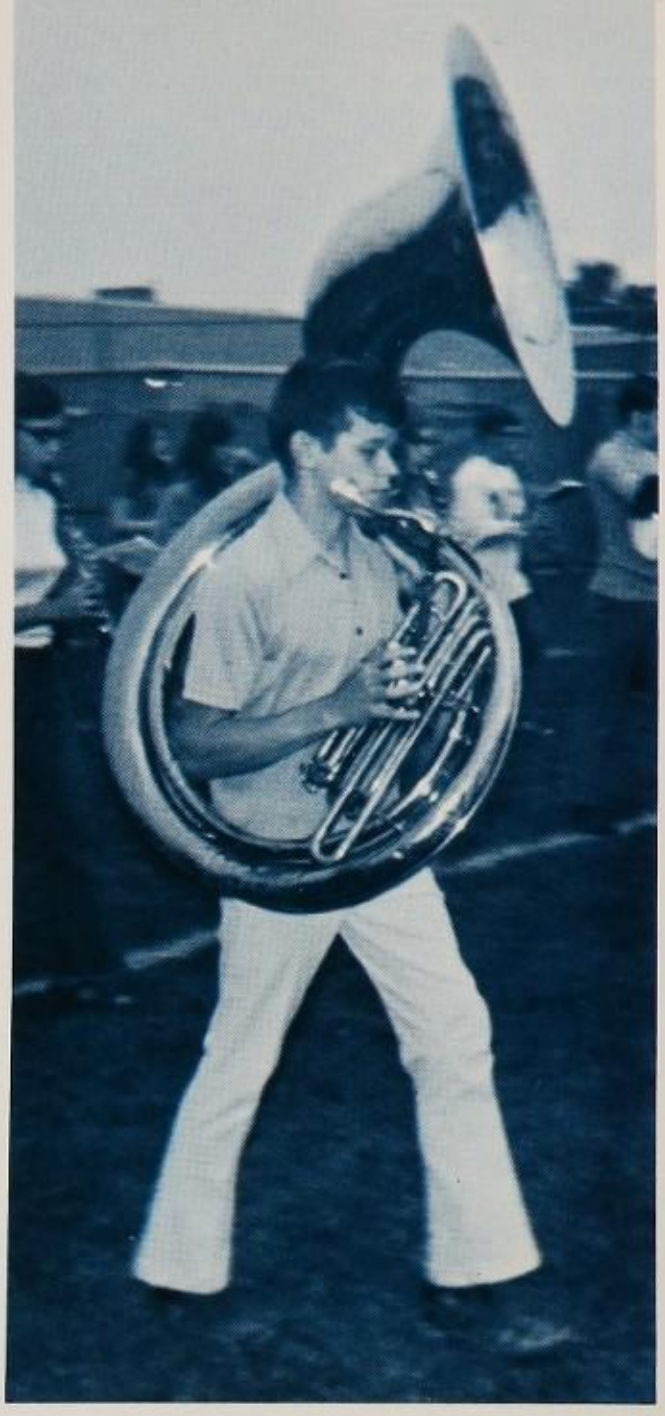
To a man of experience . . .

The purpose of a yearbook dedication should be to honor the person to whom the book is dedicated, and to explain why that person was chosen. We believe that we have chosen a person both worthy and respected. We have chosen someone whose actions affect the entire student body, not just that group of students he happens to have in class. We have chosen someone who has had contact, in one way or another, with almost every individual member of the student body. Some of these contacts have been pleasurable; some not so. Our choice was based upon that fact. We wanted someone who had faced up to the experience of life, confronted it and had emerged successful and respected, taking both good and bad, and doing his best with a difficult job. This description can fit only one man in our school, and all that remains to be said is that we dedicate our yearbook, with great respect, to Mr. Durso.

Experience



is a subtle harmony

It takes root

FIRE EXIT

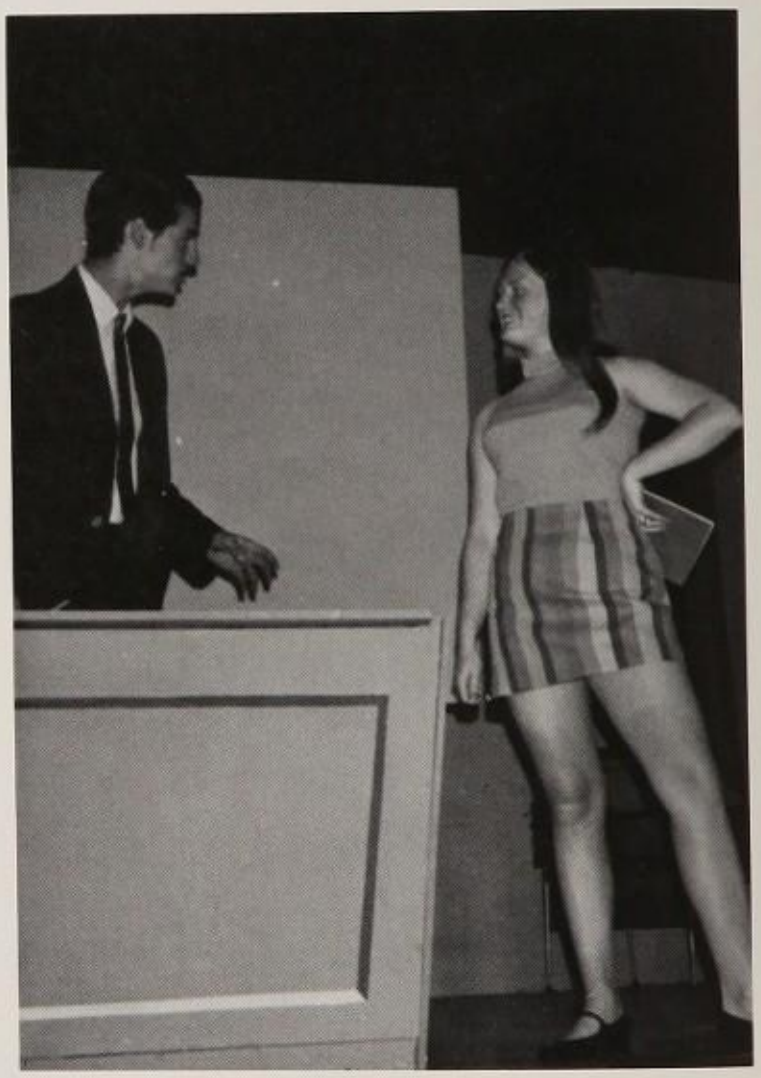
Fantasy

The musical "Brigadoon" was presented in May by the Senior High Choir under the direction of Mr. Don Besig. The play consisted of such well known songs as "It's Almost Like Being in Love," and "Come to Me, Bend to Me." The scenery and lighting were only a few of the many tasks worked on by those participating in the production. Many hours were spent perfecting lines and songs, and rehearsing with the band. It was agreed by all that the time and effort were well worth it, as the final performance of this fantasy received a standing ovation.

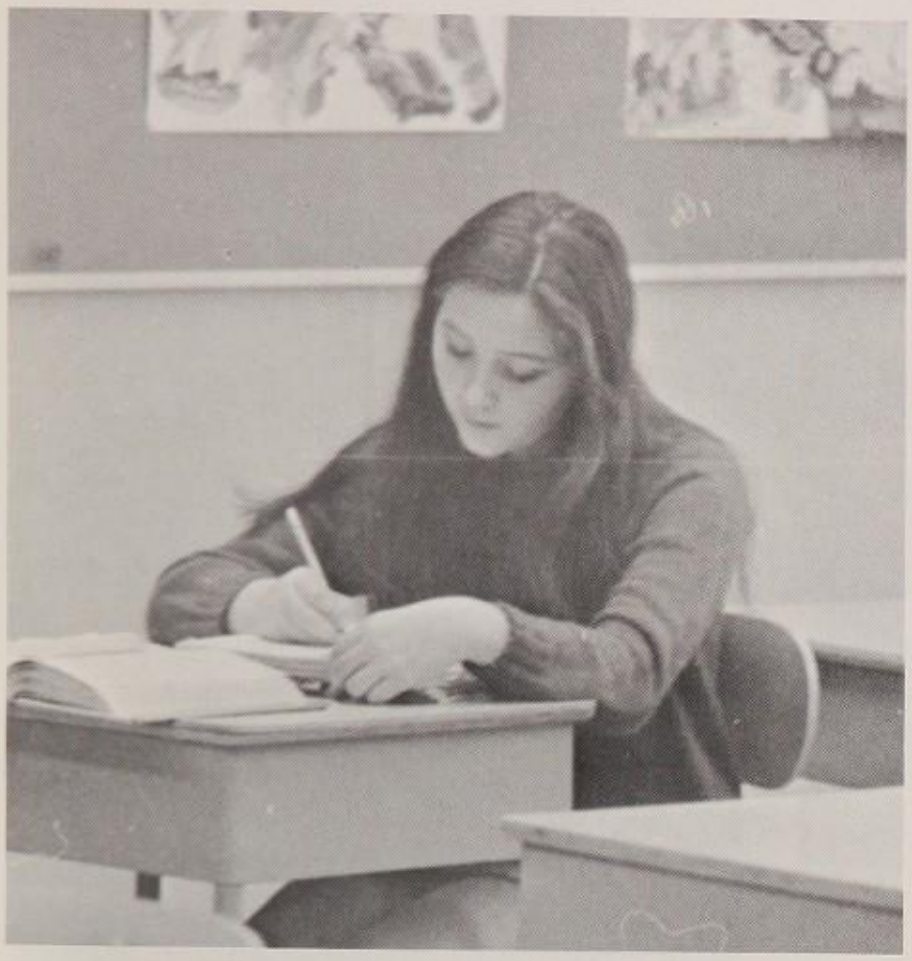
enhances audience

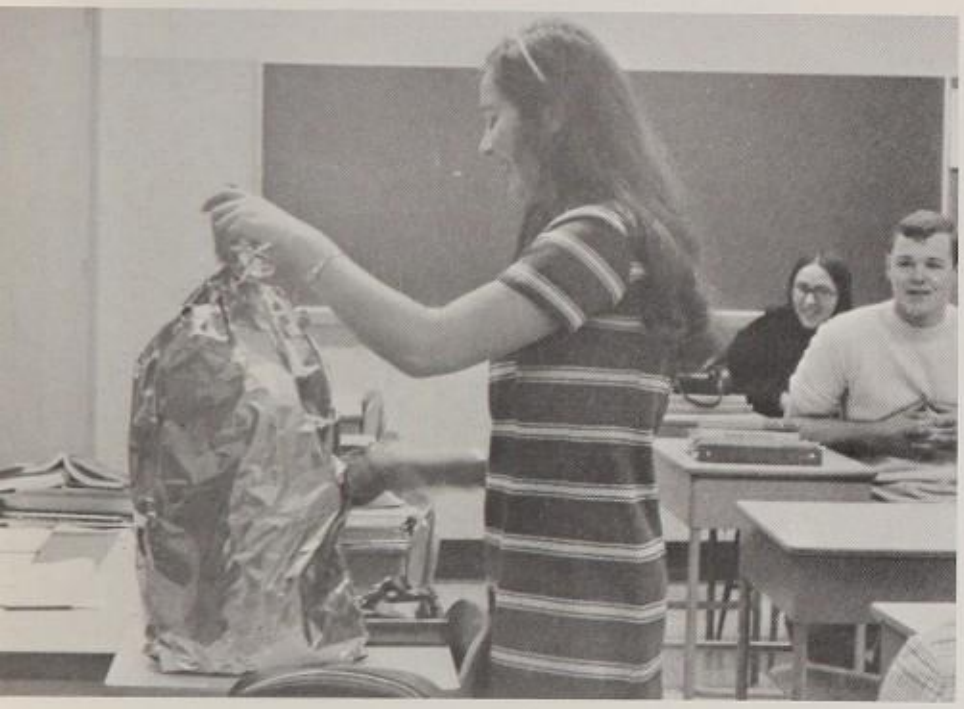
Summer stock changes style



The Hornell Summer Workshop in Drama presented its annual musical to the enjoyment of its audience. "How to Succeed in Business Without Really Trying" was quite a change from the usual fantasies presented in past years. The cast gave its viewers an inside look at the business affairs of the World Wide Wicket Company, and the rise of young Finch from a window washer to the chairman of the board. Such songs as "Grand O'Ivy," Bigley's old college fight song, and "Brotherhood of Man" were favorites with the cast and their listeners. The overall enthusiastic acceptance of this new type of musical lends itself to the probability of more plays like "How to Succeed in Business Without Really Trying" being done in Hornell again.

Cecce experiences H.H.S.





Can you define medium height, long brown hair and a bundle of enthusiasm? Cecce Lagniel, Hornell's foreign exchange student this year will be remembered for many years to come for her spirit and friendliness. During her stay here she has learned English so well that she was able to blend in with no trouble at all both at her home with Mary Koch and in school.

When asked what she thought of her "home away from home" she had this to say, "By the American Field Service I had the chance of coming to the U.S.A. I could learn about the friendliness of the American people and about the life of American teenagers. H.H.S. has been a great and wonderful experience for me.

The life of H.H.S. involved me in many different activities. It made me enjoy myself and have a very good and positive experience that will help me in my future life.

I can define school, teachers, students and Hornell as; spirit, friendliness, happiness and an unforgettable experience.

Mary Beth goes native

Part of my African family eating the evening meal of boiled banana and meat sauce.

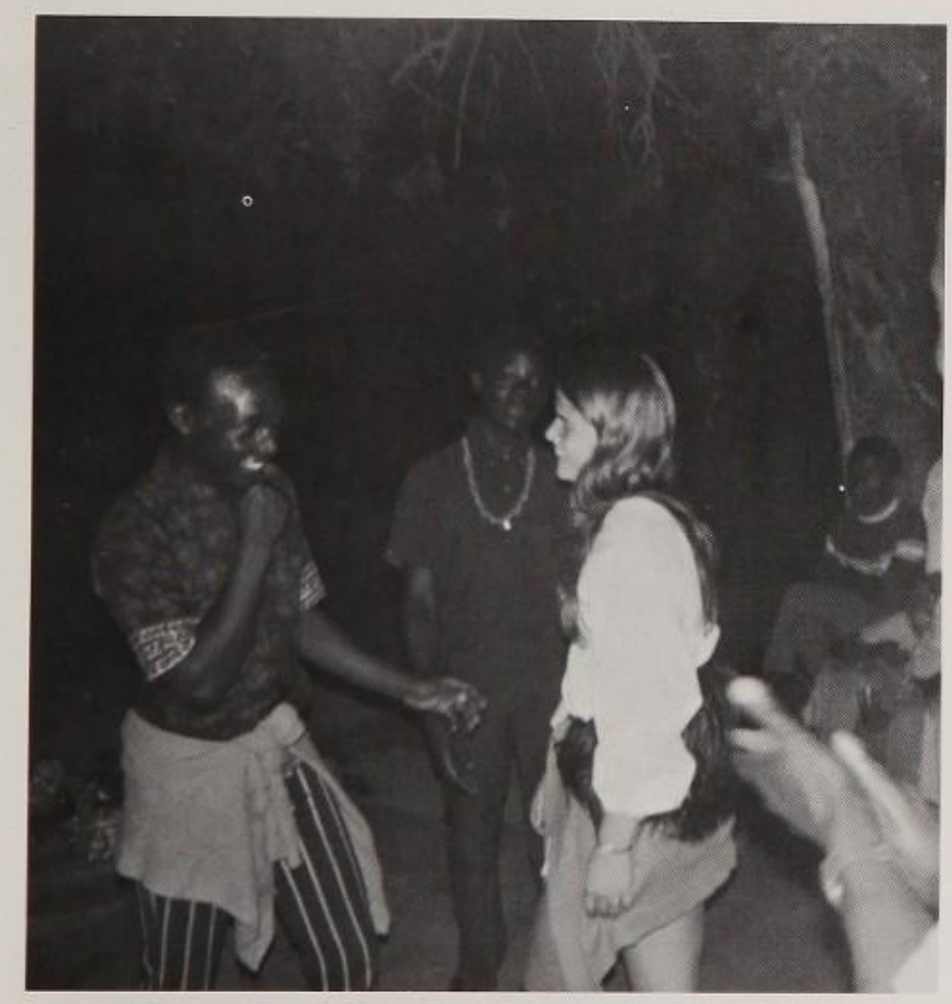
My African Mother and I at a party soon after I arrived. She spoke no English but we grew very close.

My sister Violet, 15, during an interview with a Ugandan newspaper. She was learning English in school.

My African brother, Janathan, teaching me the traditional African dance to a drum beat.

"Ta Ta" my Father was head of the household and proud of his possessions.

Washing clothes was a daily task with water from the well in the village.



A foreigner learning the traditional dance is both difficult and humorous.

A.F.S. is truly an experience that has a great effect on all those who become involved with it. Meeting and knowing people of a different culture and race makes you stop and evaluate yourself, and your country. I had the opportunity of experiencing this as an "American's Abroad" student last summer in Uganda, Africa. I found that the people have a different set of values, customs, language and way of life. I was as strange to them as they were to me but the common bond of human emotion brought an understanding between us.

I lived with a family of fourteen, three of whom were learning English in school. My parents spoke a tribal language that I tried to learn so that we could communicate.

Tradition plays a large role in the lives of Africans. My family is in the process of changing from the traditional ideas to more liberal ones. The dating system holds much more meaning than it does here in the States. A date signifies a more serious relationship between the couple. There were many teenage pubs, dances and theaters for those that could afford them.

Adjusting to their food and way of life took a great deal of patience but I found that by living with them I could understand them. If people could only find this understanding throughout the world, maybe then we could have peace.

Homecoming revised

Riding onto the field are Marta Old, Laura Crain and Ginnie Knight.

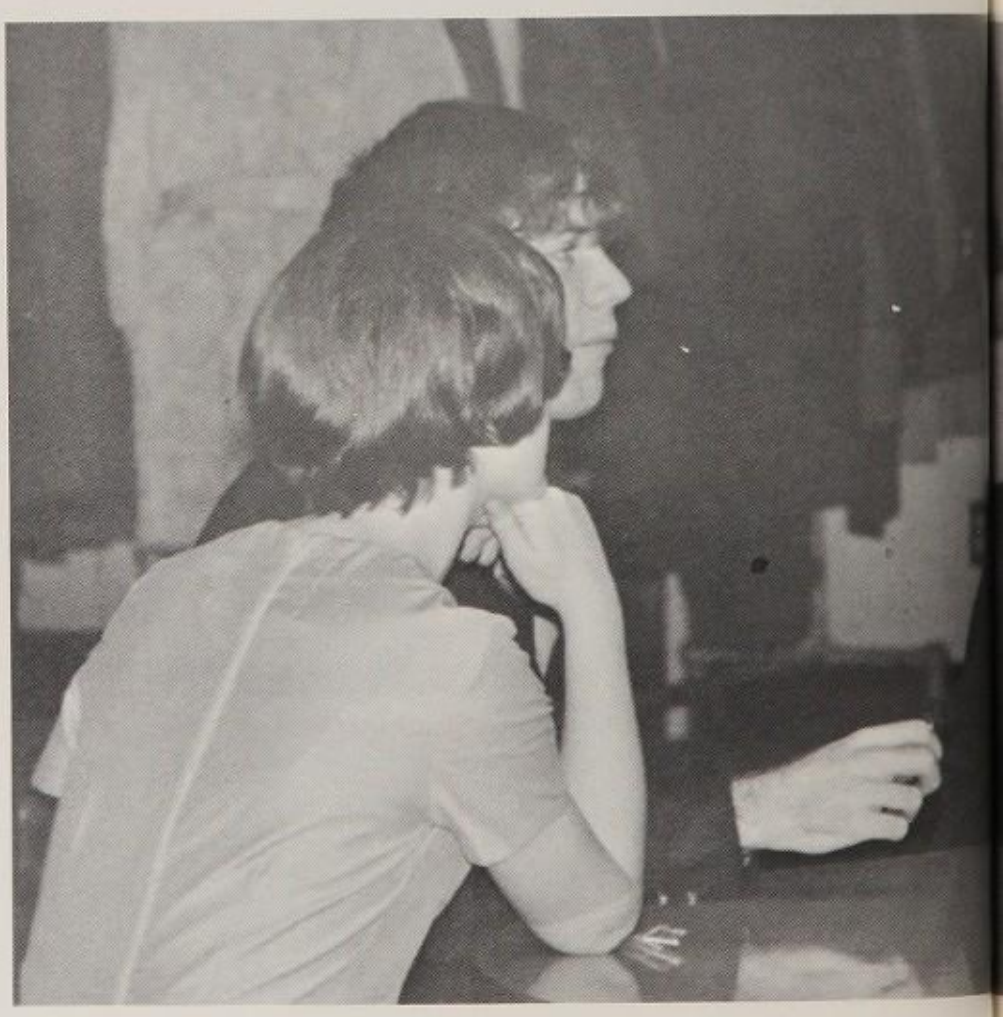
1970 Homecoming was one of transition, the number of contestants was changed from three to five girls. Voting was held throughout the entire student body under the direction of the Student Council. Candidates were P. DiVincenzo, K. Yergens, M. Olds, L. Crain and G. Knight, these girls were driven out onto the field where they met their escorts. Balloons enhanced the crowning of Marta Olds. The band performed the grand finale which spurred our team onto victory.

Other contestants were Kathy Yergens, and Peggy DiVincenzo.

Sunken city surfaces

The Junior Prom this year required snorkels and diver's gear as you entered into the depths of "Atlantis." The tedious hours of work led this illusion to become realistic. As the couples floated through the ruins of the sunken city, they marveled at the occult octopus who was presiding over his treasure chest and domain of rocks. Music by the "Puzzle" added to the evening's atmosphere, and led up to the final climax, the crowning of Candy Flanders as queen.

Student Council lets the "Sunn" shine in



The "Sunn" beamed in on Hornell Dec. 19 for three illuminating hours of warmth. The couples were receptive towards Santa Claus and his elf, and to the number one rock group in New York State, the "Sunn." The Student Council, influenced by the spirit of Christmas, sponsored the Christmas Dance at an extremely low price of $1.00 per couple.

Lounges were set up in the main hall and the cafeteria where refreshments could be reached easily. The informal dance was attended by more than 100 couples, who were all pleased with the atmosphere of the dance.

A young man's experience for desire of perfection in body . . .

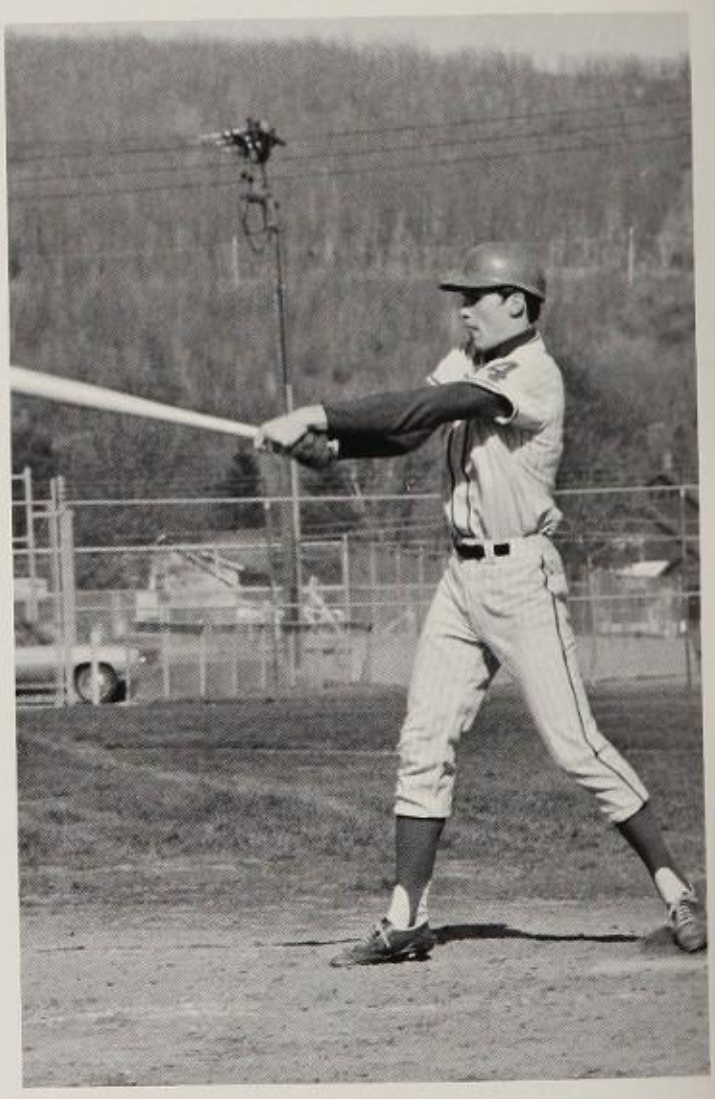
Raider's surge to second place

The Red Raider baseball team finished the season with an 8-5 Sullivan Trail record and a 9-6 record overall. The 8-5 Sullivan Trail record was good for second place.

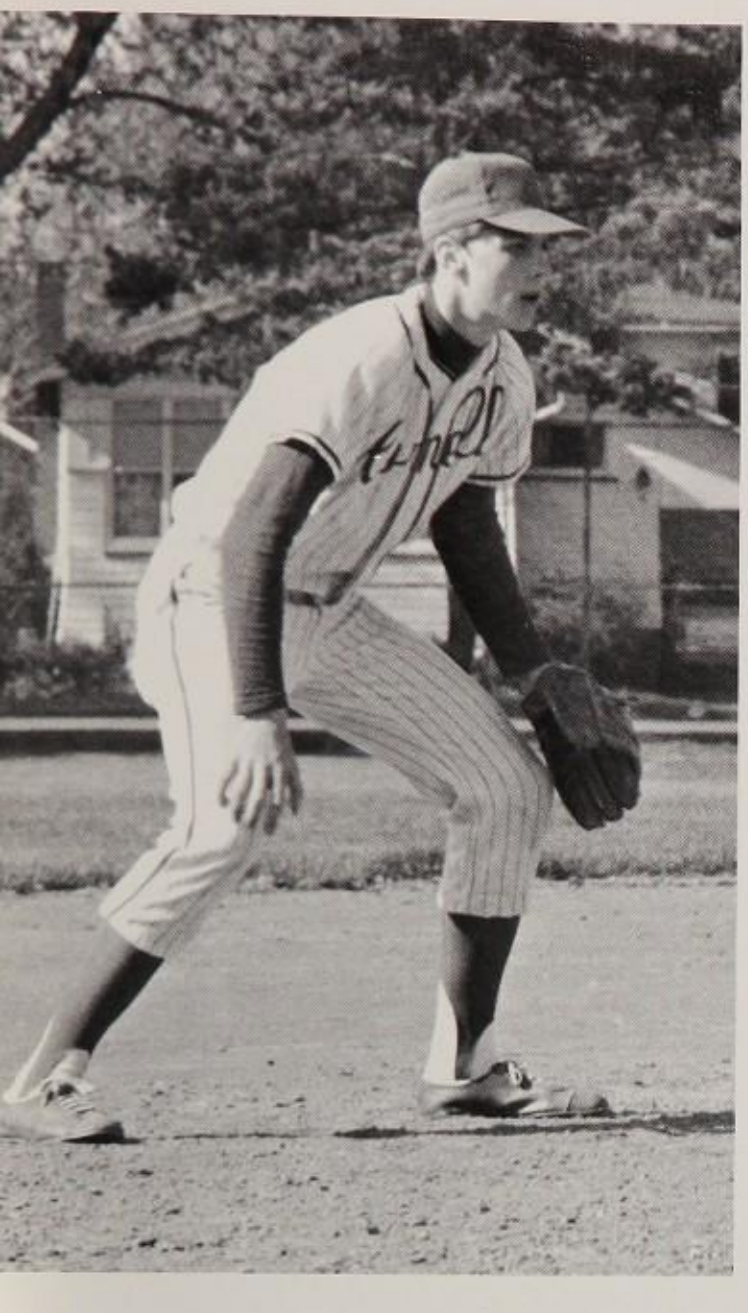
The Raiders as a team batted a fine .277 with Bob McIntosh leading the team with .373 for his final batting average. Bob Young was close behind with .370. Young was also the best pitcher on the club, winning 6 and losing only 1. He also posted an outstanding E.R.A. of 1.15.

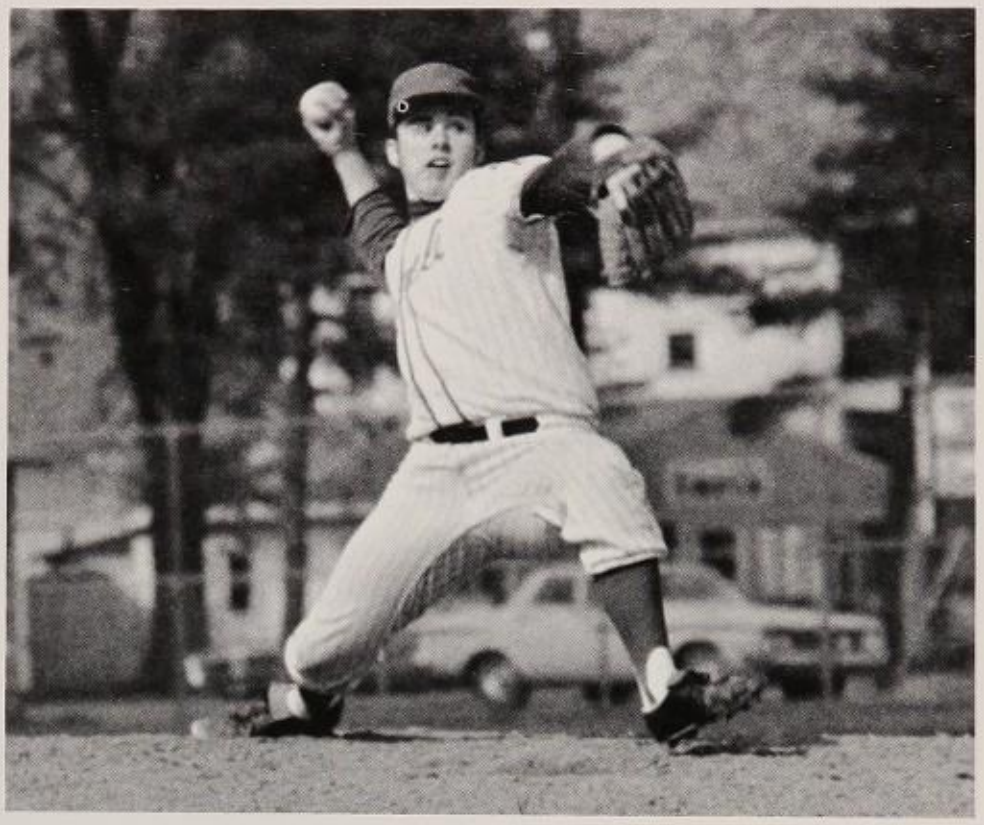
As most of us know, this was Coach Farrell's last year. During his four-year span at HHS he won forty and lost twenty-six games. This also included a Sullivan Trail Championship in 1969. We hope the new coach will have as much success as Coach Farrell had.

ROW ONE: J. Price, B. Griswold, J. Potter, C. Libordi, B. McIntosh, M. Bennett. ROW TWO: Coach Farrell, R. Sirianni, T. Purce, D. McNelis, B. Young, J. Peck, R. Head.



in Sullivan Trail





ROW ONE: T. Sherman, P. Sciotti, J. Willsey, M. Marino, D. Johnson, T. Griswold. ROW TWO: B. Norton, S. Walden, S. Fiacco, K. Kelly, K. Conklin, M. Angell, J. Hess, D. Hurlburt, Coach-Tobin.

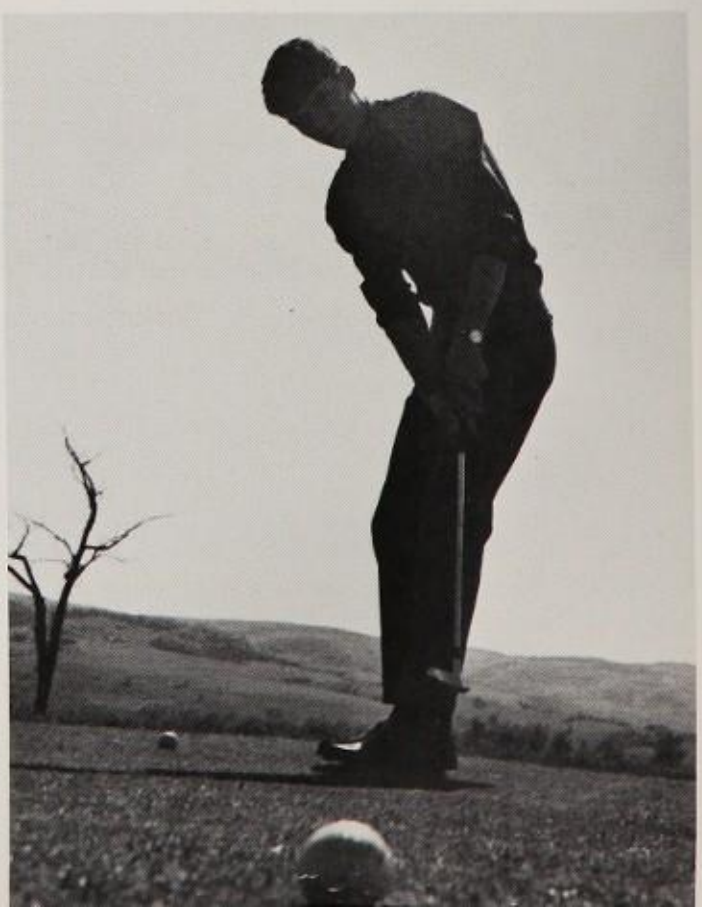
Golfer's "drove" for a successful year

The golf team under Coach Morris had another great year going 6-1-1.

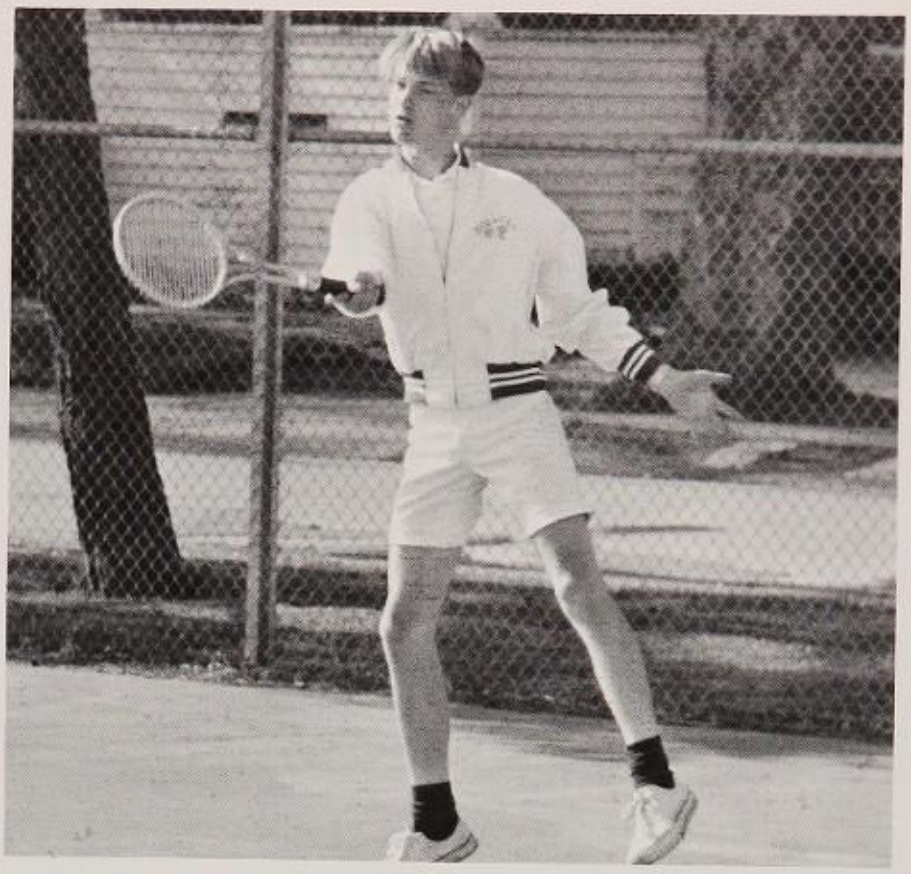
A big moment for Hornell was when Scott Powell shot 38-42-80 to win the Steuben County championship and thus advanced to the sectionals. Marty Brunswick fired the low score for the season with a one over par 37.

With holdovers like Don Hockenberry, Tim Gemmell and Mike Mardo our golf team should have another winning season.

ROW ONE: M. Mardo, B. Andrews, M. Brunswick, T. Gemmell, S. Powell. ROW TWO: B. Patti, J. Fillmore, R. Benza, F. Knapp, G. Johnson, D. Hockenberry, Coach Morris.



Tennis team catches "racketeers"

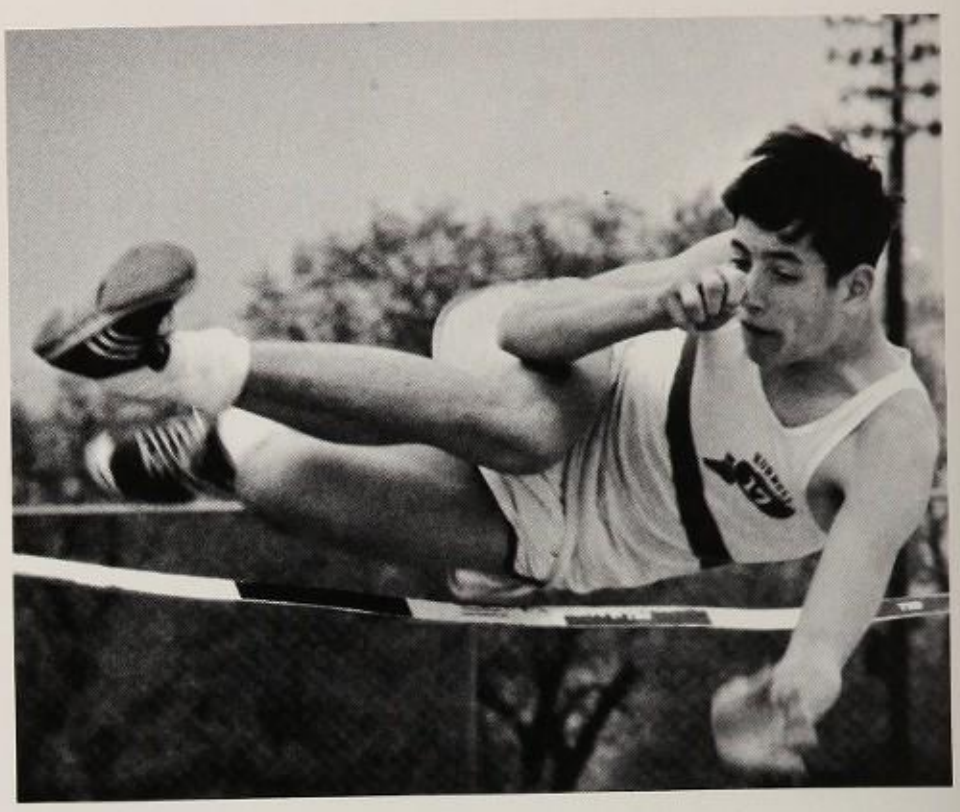


ROW ONE: J. Kelsey, A. Adamonis, A. Stanton, D. Huff, J. McManus.

After losing their first three matches, the 1970 tennis team won a smashing fourteen out of their last fifteen. Led by undefeated Alan Adamonis and first year Coach Falci, they came back beating EFA, Corning East, Corning West, and other tough opponents. The team lost such seniors as Al Adamonis, Al Stanton, Jim Kelsey and others, but with Steve Harris, Bill McHenry and Sidney Holbrook back, Coach Brungard has bright hopes for next year.

Cindermen post records

ROW ONE: W. Bossard, D. Spitulnik, F. Hess, M. Hendee, B. Holbrook, S. Hollands, M. Recktenwald. ROW TWO: T. Fagnan, R. Travis, B. Rokenbrod, J. O'Connor, D. Hurlburt. ROW THREE: H. Johnson, J. Hallenbeck, D. Harder, B. McDaniels, M. Kelly, R. Rahmlow, K. Deninger, N. Murphy. ROW FOUR: R. Bailey, K. Cornell, A. Sullivan, R. Bardeen, G. Wallace, J. McElhenny, D. Sherwood.



Although the track team this year scored no dual victories, the team placed second in the County meet, and second in the Wellsville Spring Day Invitational Meet. Under the skilled coaching of head coach Mr. Castiglione and field coach Mr. Fielding the team broke two school records.

Gregg Johnson soared to 12'3" in the pole vault breaking Charlie Young's former record of 12'1".

Shawn Hogan threw the shot-put 50 feet 1 inch to smash the old record of 47 feet.

Other outstanding performances on the track team were Tommy Fagnan's 880 run of 2:01.5 in the Super Sectionals where he placed fourth and Fritz Hess's 10.2 run in the 100 yard dash.

ROW ONE: J. Duffy, E. Chambliss. SITTING: J. Bowles, S. Sciotti, M. Cropp, J. Beckerman, T. Cornell, M. Ingalls. STANDING: T. Tillman, M. Alger, J. Prunoske, T. Sciotti, J. Helmer, S. Hogan, J. Johnson, L. Castiglione, J. Dailey, R. Tillman, J. Fahl, E. Colburn.

ROW ONE: T. Gemmell, T. Donavon, R. Rahmlow, M. Galatio, M. Cartella. ROW TWO: M. Kelly, D. Sherwood, S. Harris, D. Harder, W. McDaniels, W. Holbrook. ROW THREE: G. Rollins, J. Hallenbeck, P. Sciotti, M. Greene, F. Freeman, J. O'Connor.

The Red Raider's Cross Country Team with a great team effort won eight, lost two and had one tie.

The team lacked the boy who could win every meet, but used their great depth to score their eight victories.

Under the guidance of Mr. McShane the Raiders won their first five meets. This string also included a smashing victory over Elmira Free Academy, with John Hallenbeck, Bill Holbrook and Tom Donavon finishing first, second and third. This was the first time in Hornell's Cross Country history, a team ever defeated EFA. Against Wellsville the Raiders took the first nine places and finished in a three way tie. In a Cross Country rarity the Raiders finished in a 28-28 tie with Waverly. The team, using their strategy, let Corning East take first and third but took second, fourth, fifth, sixth and seventh. Other victories included Corning West, Elmira Southside, Canisteo, Addison and Bradford. In the Country meet John Hallenbeck finished fifth and Tom Donavon finished tenth.

With John Hallenbeck, Bill Holbrook and Dick Harder returning next year, Mr. McShane has high hopes for next year.

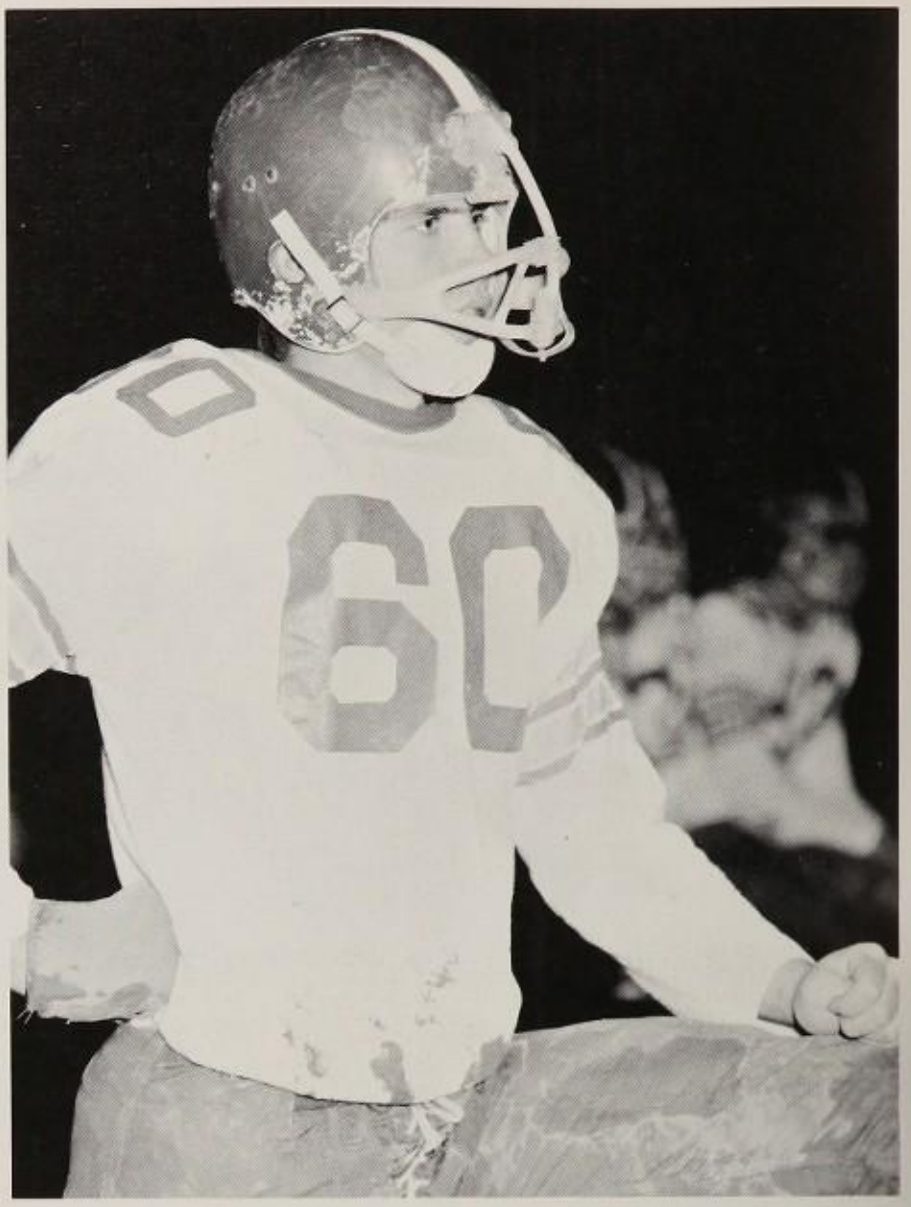
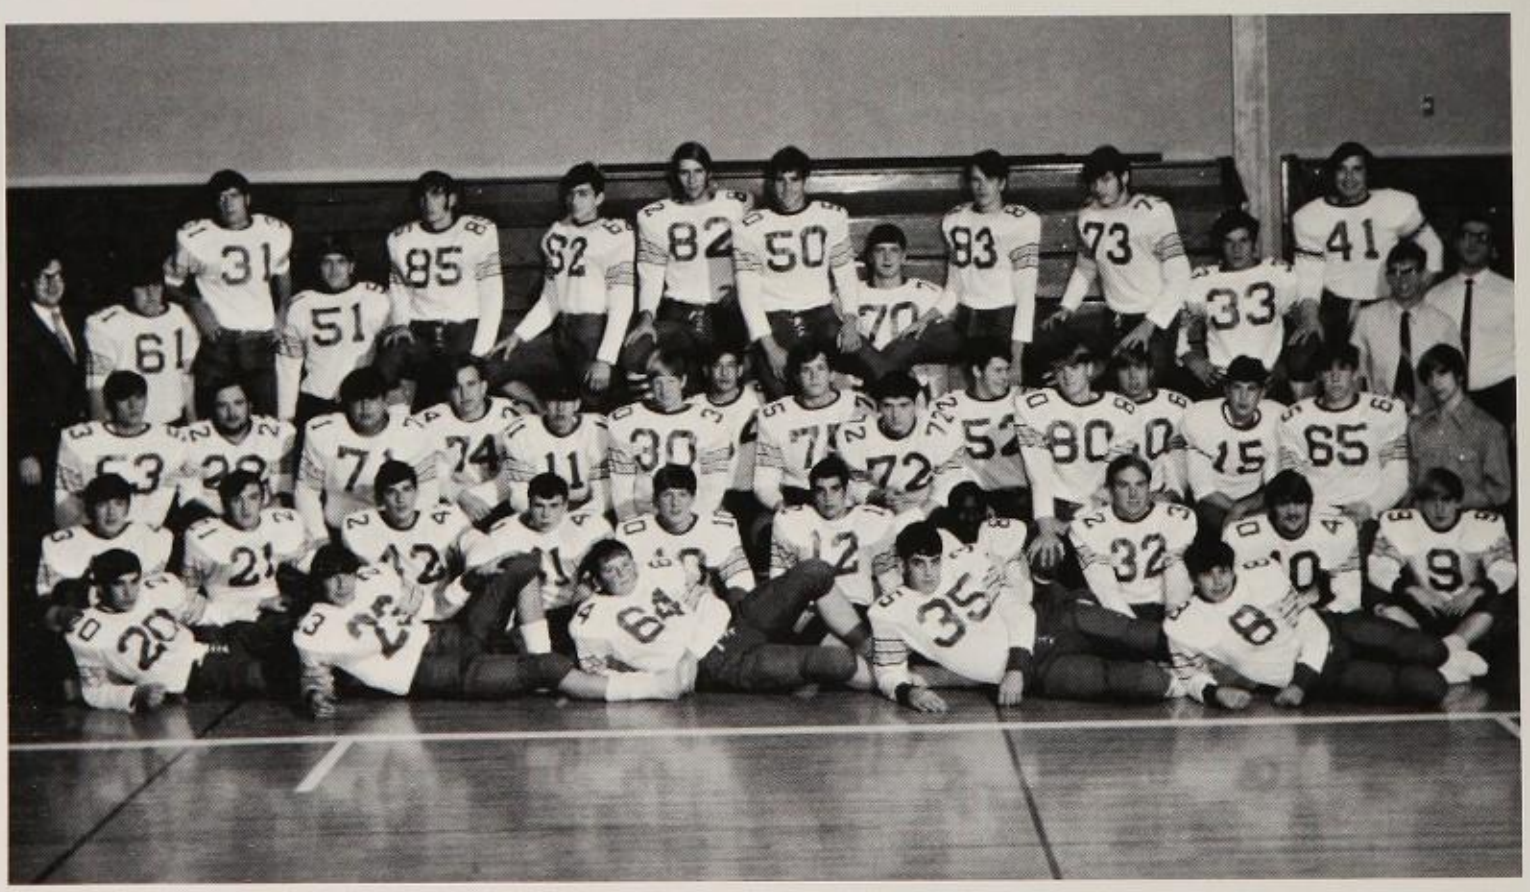
Raiders grind



Record-wise this year's team was disappointing, but you can never judge a team by its record. Most starters were underclassmen with little experience. With the knowledge they gained this year, we have good prospects for next year.

All players this year displayed valor and unending determination. One game against Notre Dame, a 32-6 victory, Norm Ellis broke the school record by scoring all five touchdowns. With the annual tradition, the Hornell-Wellsville game developed into one of the closest contests in several years. Hornell as usual claimed victory with a 15-12 decision.



ROW ONE: J. Willsey, J. Sciotti, M. Davidson, F. Libordi, A. Ermy. ROW TWO: D. Edwards, A. Sullivan, R. Benza, S. Hollands, R. Murphy, C. Libordi, E. Chambliss, N. Ellis, J. Potter, R. Dusinberre. ROW THREE: D. Harwood, M. Briganti, A. Sciotti, J. Purnoske, R. Sirianni, K. Conklin, T. Tillman, D. Kelly, T. Crosby, T. Griswold, K. Cleveland, S. Walden, R. Burns, S. Holbrook. M. Angell. ROW FOUR: Coach Arnault, J. Hogan, M. Ingalls, M. Waufle, J. Fahl, L. Sacco, D. Hockenberry, J. Prunoske, C. O'Brien, J. McNelis, W. Hoffman, R. Cameron, S. Sciotti, M. Cropp, Coach Bottone.

Soccer team has

The soccer team this year had a very full season. The team had 16 regular season games and 3 games played at night on our football field as scrimmages. The teams record, 3-14, does not tell the true story of the effort. The team lost 7 games by only 1 point.

The first game of the season the Raiders were victorious over Horseheads by a score of 4-1. The next victory, the only one for the team at home, in the ninth game of the season, the Raiders beat Hammondsport in a double overtime 2-1. The last victory was over Avoca 4-1. Marty Kelly scored all 4 goals setting a record for the most goals scored in one game by one Hornell player.

The team went to the Sectionals as the entry from Steuben Class A. Webster opposed the Raiders and won 6-0. Coach Angell said he has high hopes for next year's team. There are 7 boys from the starting 11 and many of the back-up men returning next year.

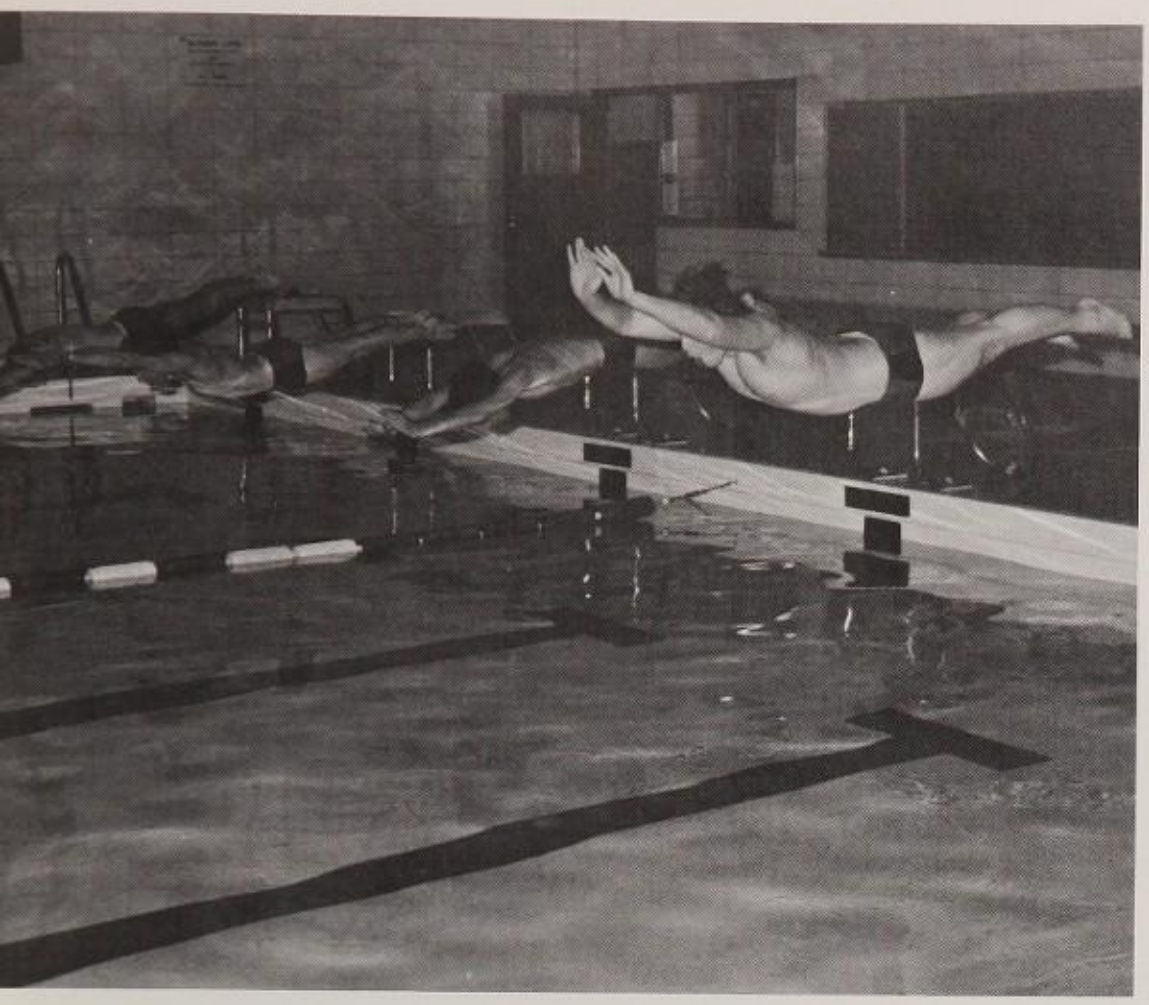
ROW ONE: T. Kelleher, P. Dempsey, K. Knapp, P. Gouli, J. Willsey, P. McInerny. ROW TWO: Coach Farrell, T. Cannon, B. Murphy, M. Morrissey, M. Robbins, F. Marino.

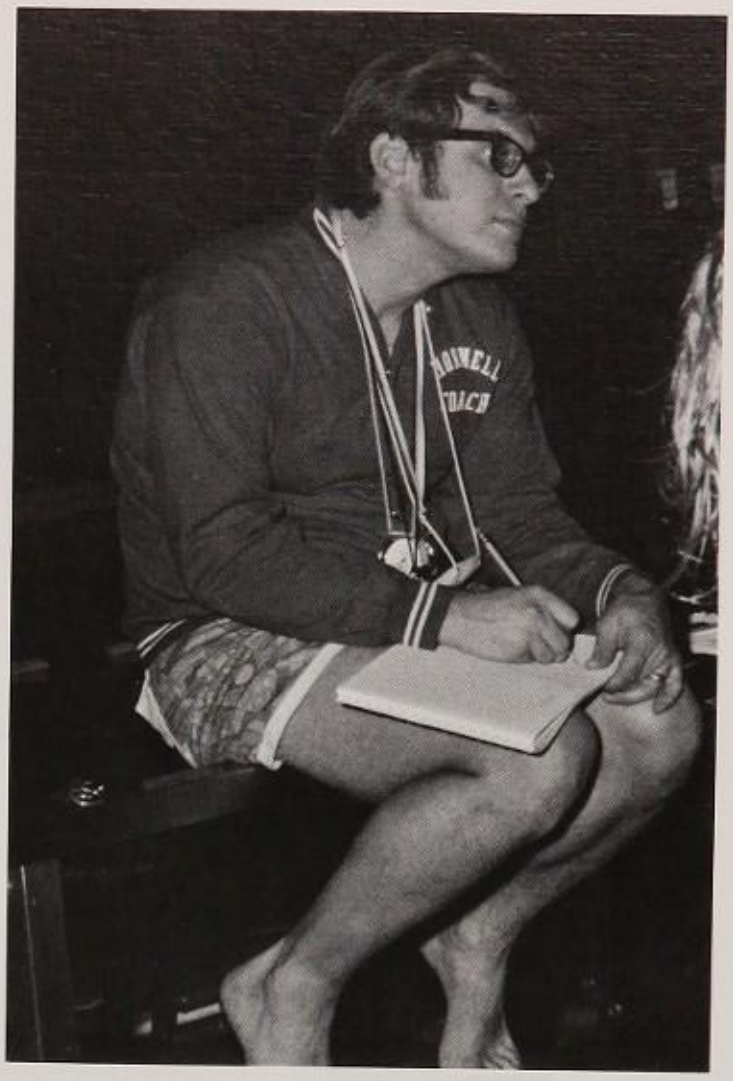
Although Hornell suffered many losses this season it was due to many hardships to the players. All the starters on the team were injured at least once during the year, such as Richie Head and Charlie Libordi. Despite these let-downs the players faced each game as a challenge and fought hard to make it tough for every team we faced. With four of the starting five back next year, Coach Howell expects to travel the road to Rochester once again.

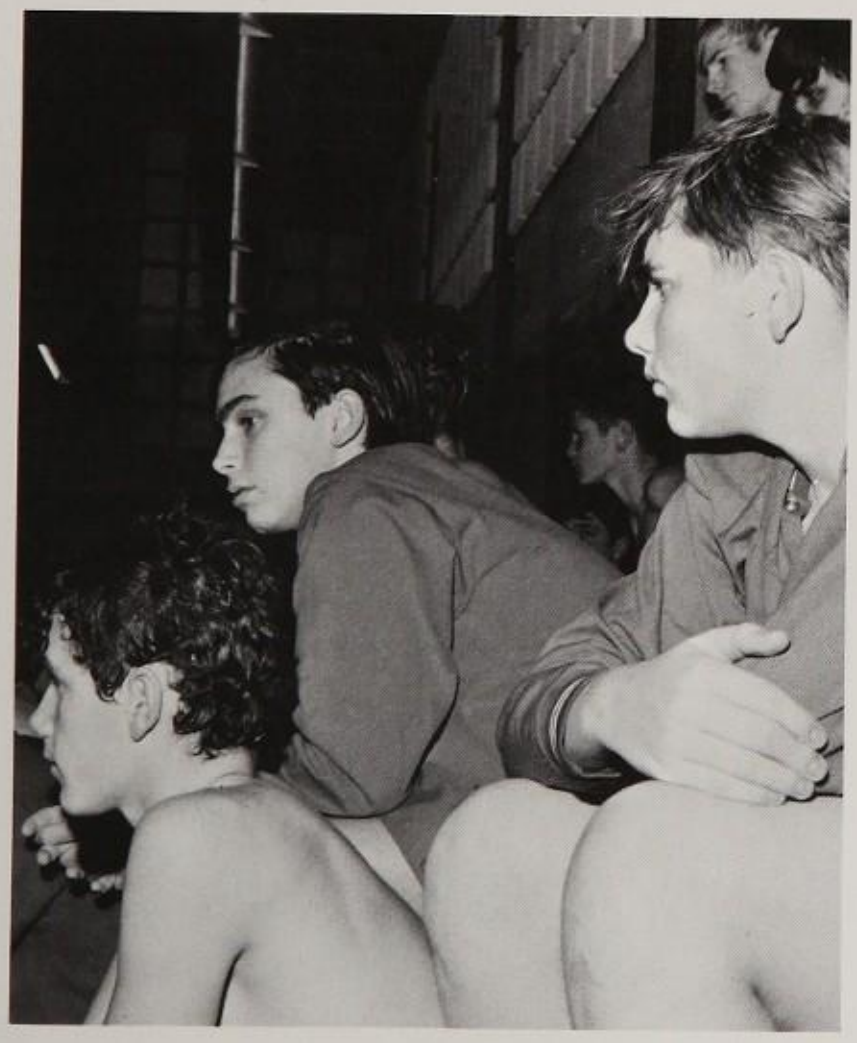
Swim team goes co-ed

ROW ONE: D. Rawady, R. LaVerde, D. Burger, J. Shepard, J. Kelly, T. Tripp, G. Reiman, S. Sirianni, T. Crowe. ROW TWO: Coach Tsibulsky, C. O'Brien, T. Tibbott, R. Tobin, J. Gillette, J. Richardson, S. Simms, M. Ingham, J. Ahrens. ROW THREE: L. Smigiel, M. Cropp, S. Walden, D. Dailey, A. D'Apice, P. Ashworth, M. Galatio, J. McElhenny. ROW FOUR: H. Platt, P. Schmitt, K. Drake, J. Delaney.

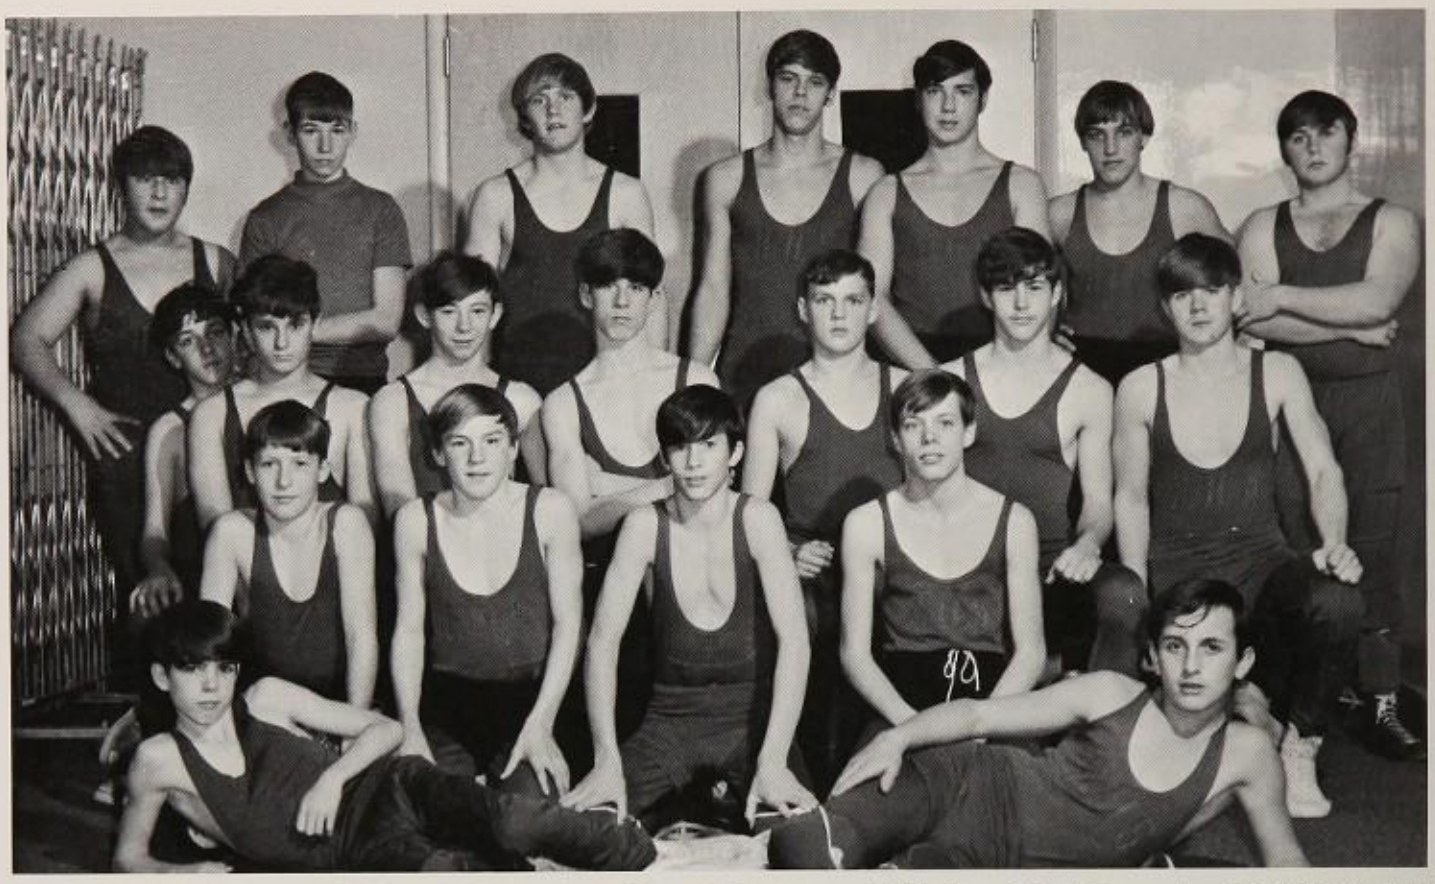
As co-ed is now the thing, our Red Raider mermen have now added mermaids, Pam Schmitt and Carla Drake. The swimmers, under the direction of Coach Tsibulsky, through long hours of hard work and dedication had a winning season and set records. With many underclassmen coming back next year Coach Tsibulsky is very optimistic.



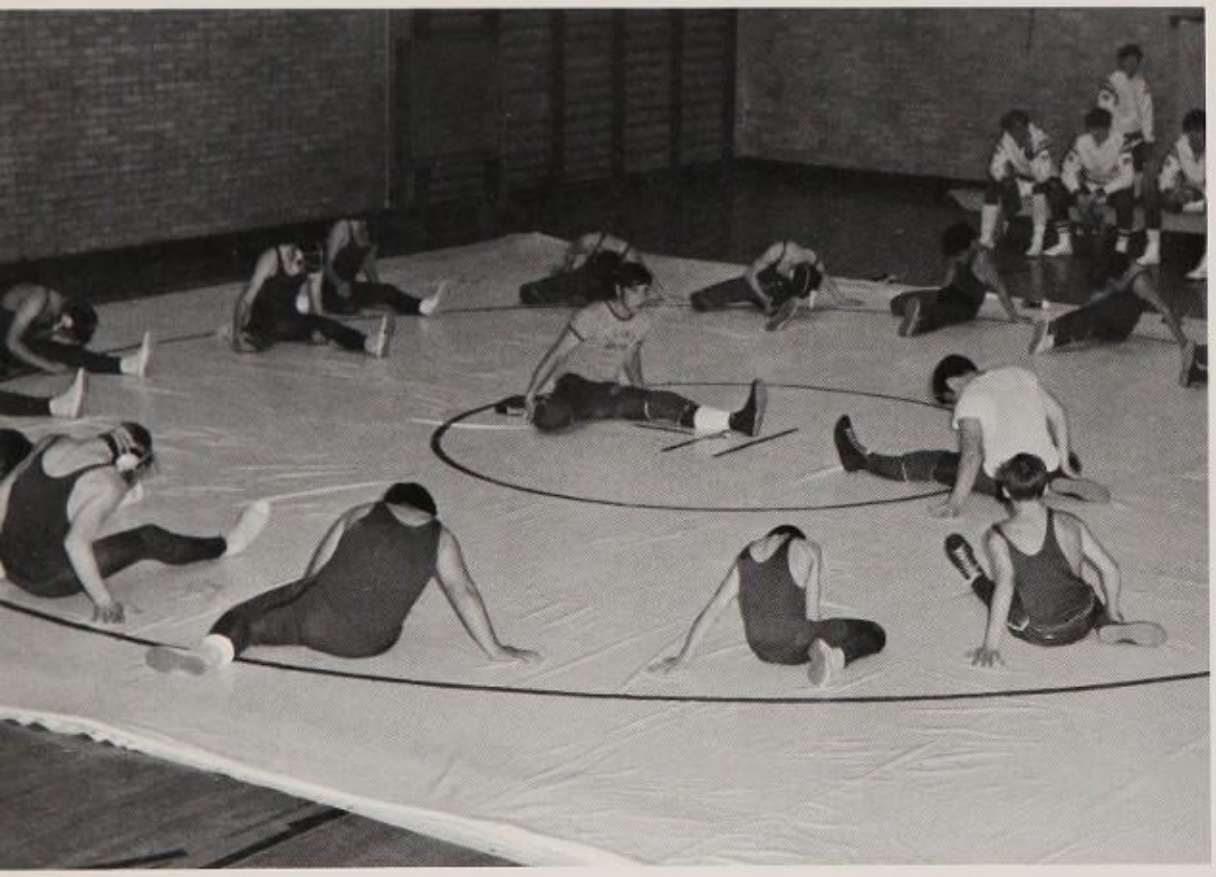


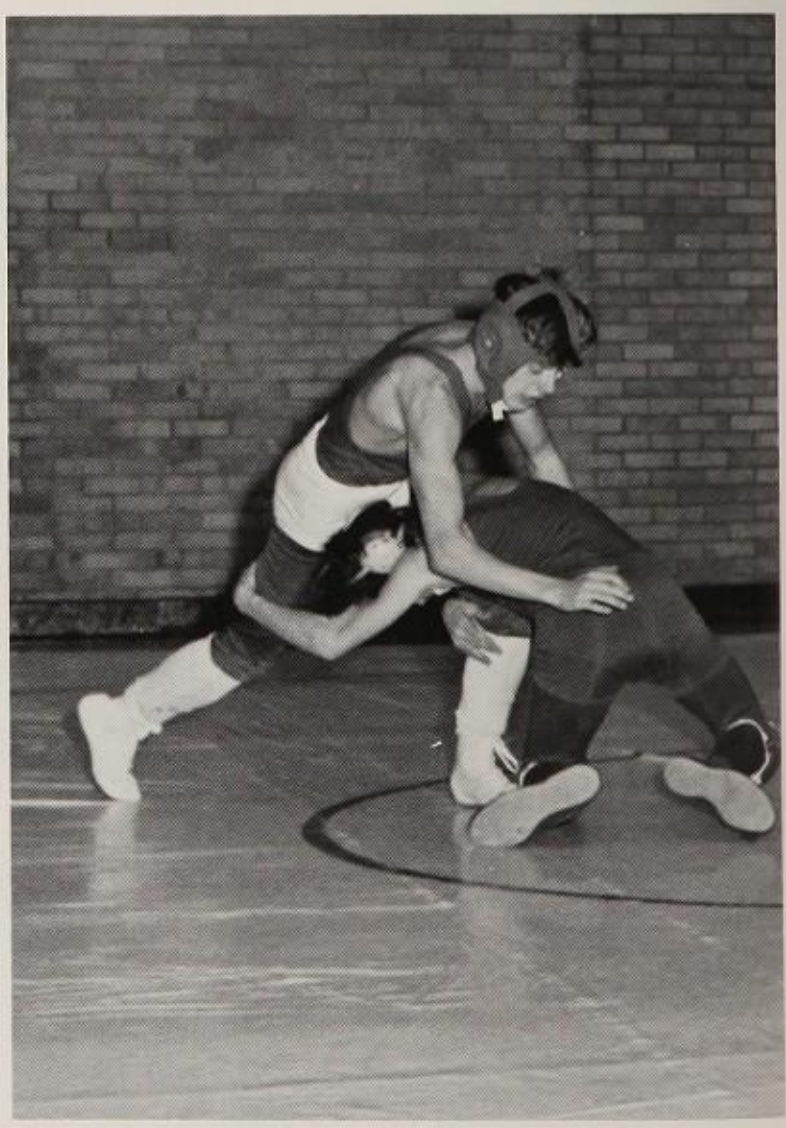


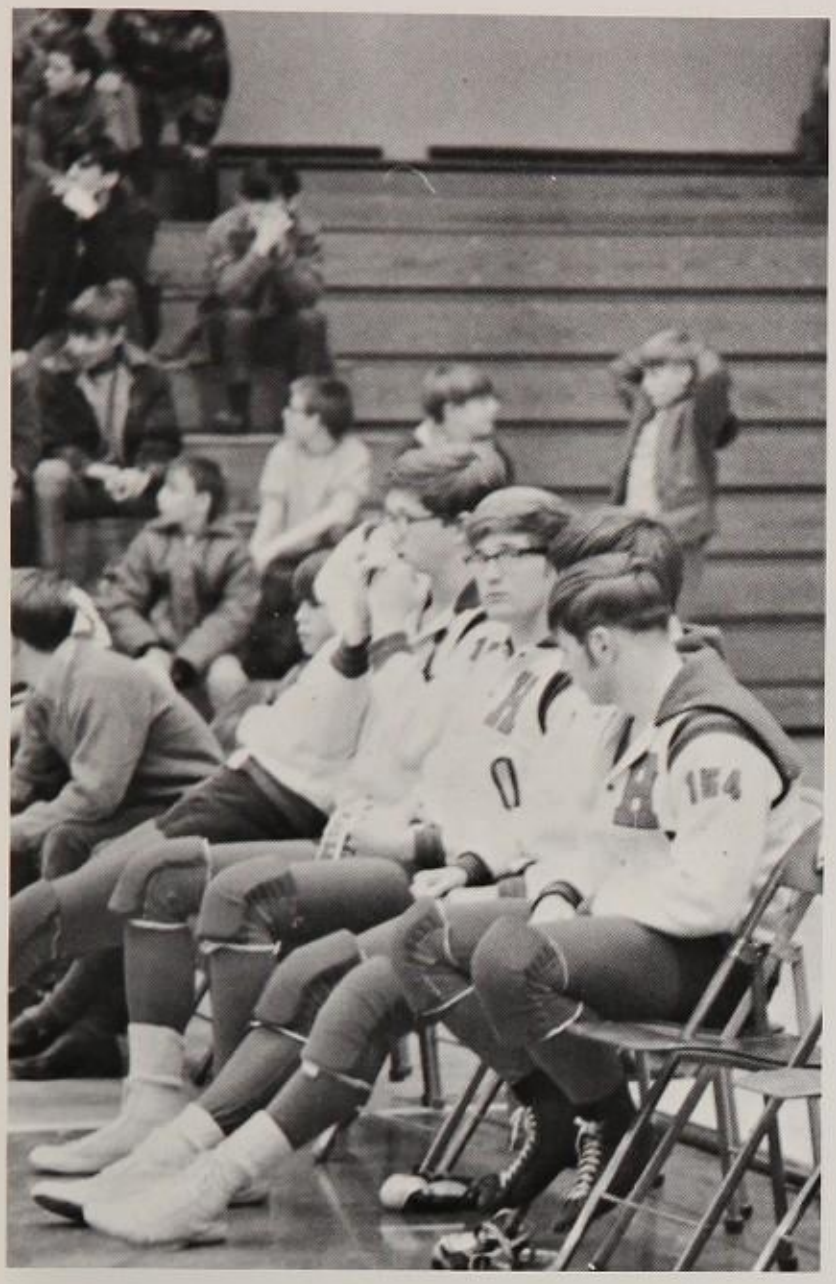
Grapplers mangle opponents



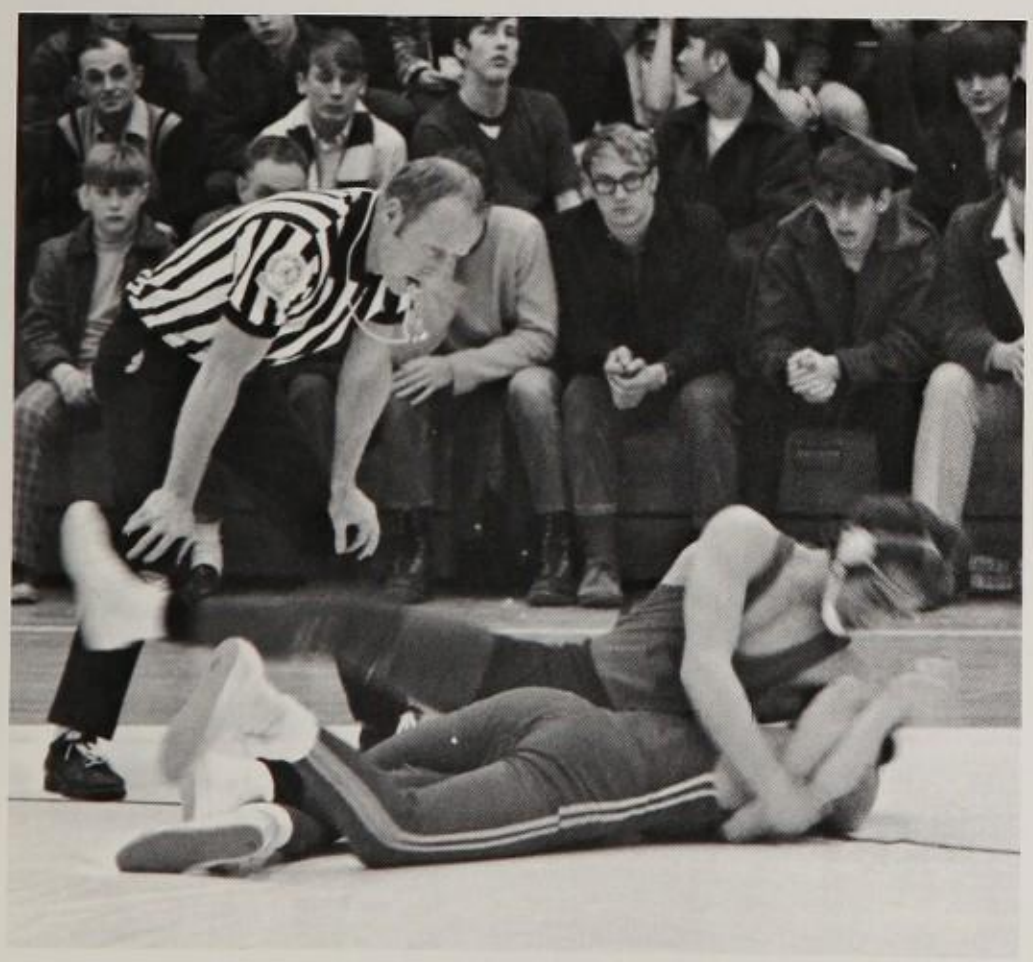
ROW ONE: J. Holbrook, B. Ony. ROW TWO: B. Schu, D. Recktenwald, M. Crandall, A. Rosemier. ROW THREE: T. Sheedy, J. Braison, R. Clark, D. Glover, J. Reese, A. Harold. ROW FOUR: L. Rose, M. Quinby, R. Shinebarger, M. Waufle, S. Sciotti, L. Weed, T. Sanford.







ROW ONE: F. Noble, R. D'Apice, M. Recktenwald. ROW TWO: A. Sciotti, D. Purce, R. Talbett, A. Hurd. ROW THREE: T. Tillman, W. Hoffman, D. Kelly, D. Falzarano, J. Prunoske.



Under the guided direction of Coach Tony Bottone, the "uglies" struggled to get into shape for such gruelling foes as Corning East and West, Wellsville and Notre Dame. With fine wrestlers like Mike Dropp at 105 pounds, Joe Prunoske at heavyweight and Bob Talbot at 126 pounds, Hornell expects to have a fine season and place many boys in the Section Five meet.

This I Believe:

1. When we chose to teach we chose to serve.
2. That this generation of children and youth is just as fine as your generation or mine. Wholesale indictment of youth dates one.
3. That every child is entitled to the best we have to give regardless of his personality, his mentality, or his situation.
4. That we must bring every bit of training and intelligence and faith we have to bear upon the problem.
5. That youth is not necessarily the happiest time of life. Many children face situations that an adult would find difficult to meet and they have, as yet, no philosophy of life.
6. That our dicipline should be firm, consistent, and constructive.

A. We should never administer discipline when we are emotionally disturbed ourselves. Punishment should not be a relief valve for our pent up feelings.

B. We should never leave a child flat. Send him away feeling that he is a fine person who has made a very serious mistake.

7. That we should remember that kindness and consideration and trust are not a sign of weakness in a teacher.
8. That children are hurt by the same things that hurt us,—sarcasm and ridicule.
9. That we should not exact a higher standard of conduct in matters of punctuality, responsibility, and self-control than we possess ourselves.
10. That it is just as unprofessional to discuss our pupils as it is for a physician to discuss his patients.
11. That at the close of each school year we should pass our youngsters on with a test record, a scholastic record, a health record, but not a conduct record. Give them a clean sheet and a fresh start.
12. That the school should be one place where every child feels wanted, where the insecure can find a measure of security, where his confidences are never betrayed, and where all can look for help.
13. That we have limitless opportunities to touch lives for good.
14. That we should treat every child as if he were our own.
15. That we should pray for an understanding heart.

Activities

Artisans "trip out"

The Artisans Club had many activities through which to express their talents. The members were given their chance to view contemporary art by attending an art showing in Rochester. They were also able to show their prowess in the fine arts by an art show at HHS. An art sale in Hornell's merchants' stores enabled the artisans to offer their "Masterpieces" to an appreciative public.

The Audio-Visual club is one of the most essential yet underrated clubs in our school. Without them our faculty would be paralyzed. The group tapes T.V. programs, and has even attempted to make some of their own shows. They are always busy splicing film strips and tapes, and repairing machines. The A.V. club has many commendable qualities such as: punctuality, originality, and enthusiasm.

Band
"blows its mind"

In the mud and rain of the Hornell Stadium the band worked before school and at night to prepare half time shows for the football games. The climax of the half time season came at the homecoming game with a salute to the oldtimers. The musicians also worked indoors, first period, three days a week. The band could be heard practicing in preparation for their winter concert in March.

Mr. Hover, the band director, has planned a candy sale to benefit the uniform fund. Various marching engagements and a concert outside are planned for the Spring.

This years Bowling Club included almost 30 eager students. They bowled on Tuesday after school. They made up teams of a boy and a girl. This years bowling club has brought out some truly outstanding bowlers, this includes such names as Marty Kelly, Julie Giglio, Jim Crandall, and JoAnn Lorow. Kevin Kelly, a Junior, had a remarkable 195 average, believed to be the best ever produced by a Hornell High bowler. As we go to press, a 5 man team will bowl in Rochester for the high school sectionals and possibly a chance for a state championship for H.H.S. Good Luck Bowling Club.

Future typewriters

Members of the club went to the Junior High in October to demonstrate the Gregg and Machine Shorthand techniques to the 8th and 9th graders. This was to aid them in planning for their future Secretarial Courses.

The group also went to Bryant & Stratton Business Institute in Buffalo, the Corning Glass Works in Corning, and Alfred Ag-Tech where they attended secretarial science classes during the year.

The ever-present spectators at football and basketball games were the cheerleaders of H.H.S. The two squads cheered the players in victory and defeat. With the assistance of the Bleacher Bums, the cheerleaders sparked the teams with their pep assemblies and bonfires. Also, this year, the girls held several bake sales and a dance, to aid in the cost of their new uniforms.

During daily class periods, the members of Hornell High's Choir worked to improve their tone, diction, vowel sounds, and interpretation. They worked on all types of music, including folk ballads, religious songs, showtunes, and pop numbers. Especially gifted students practiced solo numbers and participated in Varsity Swingers. Under the direction of Mr. Don Besig, the chorus had a full schedule preparing for a Christmas and Spring concert, and a musical production.

Thundering "heard"

As well as playing instruments in the band, Steve Harris, Mary Koch, Connie Guinanne, Karen Piccarrillo, Pam Schmitt were also drum major and majorettes. They started off the year performing at football half time shows. As Steve led the band, the majorettes twirled fire. As spring rolled around their high stepping and their spirited routines made other high schools inferior.

The French Club, after a one year relapse was revitalized this year. After much planning, the first meeting was held in October. Sixty-five people signed up for the club. A slate of officers was elected headed by Bonny Damrath as president. Monthly meetings were held. Slides taken in France were shown at each and French games were played.

In December a banquet was held. It was planned by the two French practice teachers, Miss Goldberg and Miss Myers, and some senior French students. The theme of the dinner was Le Moulin Rouge at The Red Mill. Highlight of the evening was the Can-Can, performed by six voluptuous females.

The advisors hope to see more students participate next year for a follow-up to the great year of 1971.

The Pill Pushers

For the girls who wish to go into the field of Nursing, H.H.S. has a club which, under the guidance of Mrs. Gray gives them a chance to participate in activities relevant to the occupation of their choice. Although they are little spoken of, our Future Nurses are imperative to the present and more so to the future.

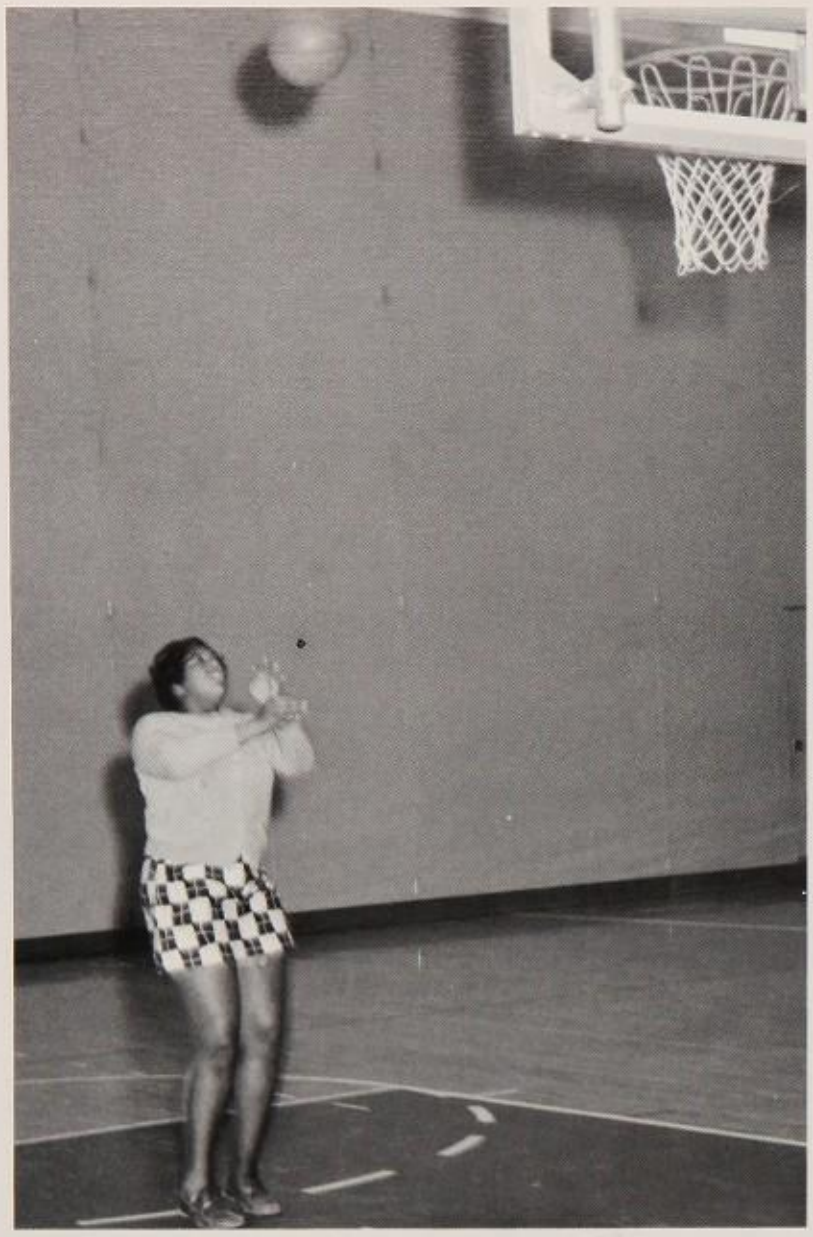
"Experiences in learning" can be accomplished in many ways and at any time. As future teachers, these students have many new ideas and approaches. Thanks to the Future Teachers Club, they were able to use and develop their talents at their practice sessions, during the second semester. Also, some of their time was spent on a toy collection at Christmas time for the underprivileged kids of this area. Finally, although transportation was difficult to come by, they were able to go to Alfred for a demonstration. All will agree that much has been gained by these students in their quest for learning.



The tide turns

Basketball, bowling and volleyball are just a few of the sports pursued by the Girl's Athletic Club. These girls have worked very hard in developing many new skills and talents. Also, much of their time was spent selling their special Red Raider pins which were very helpful in promoting spirit for their school.

The German club, a small but effective organization under the guidance of Mr. Gray, has participated in a variety of activities this year. One was a singing of Christmas carols to various German speaking families in the Hornell area, ending in a small weinachtsfest at Mr. Gray's home. The club has also met several times to discuss various projects, including a possible trip to Rochester to join in a conference of German speaking students.

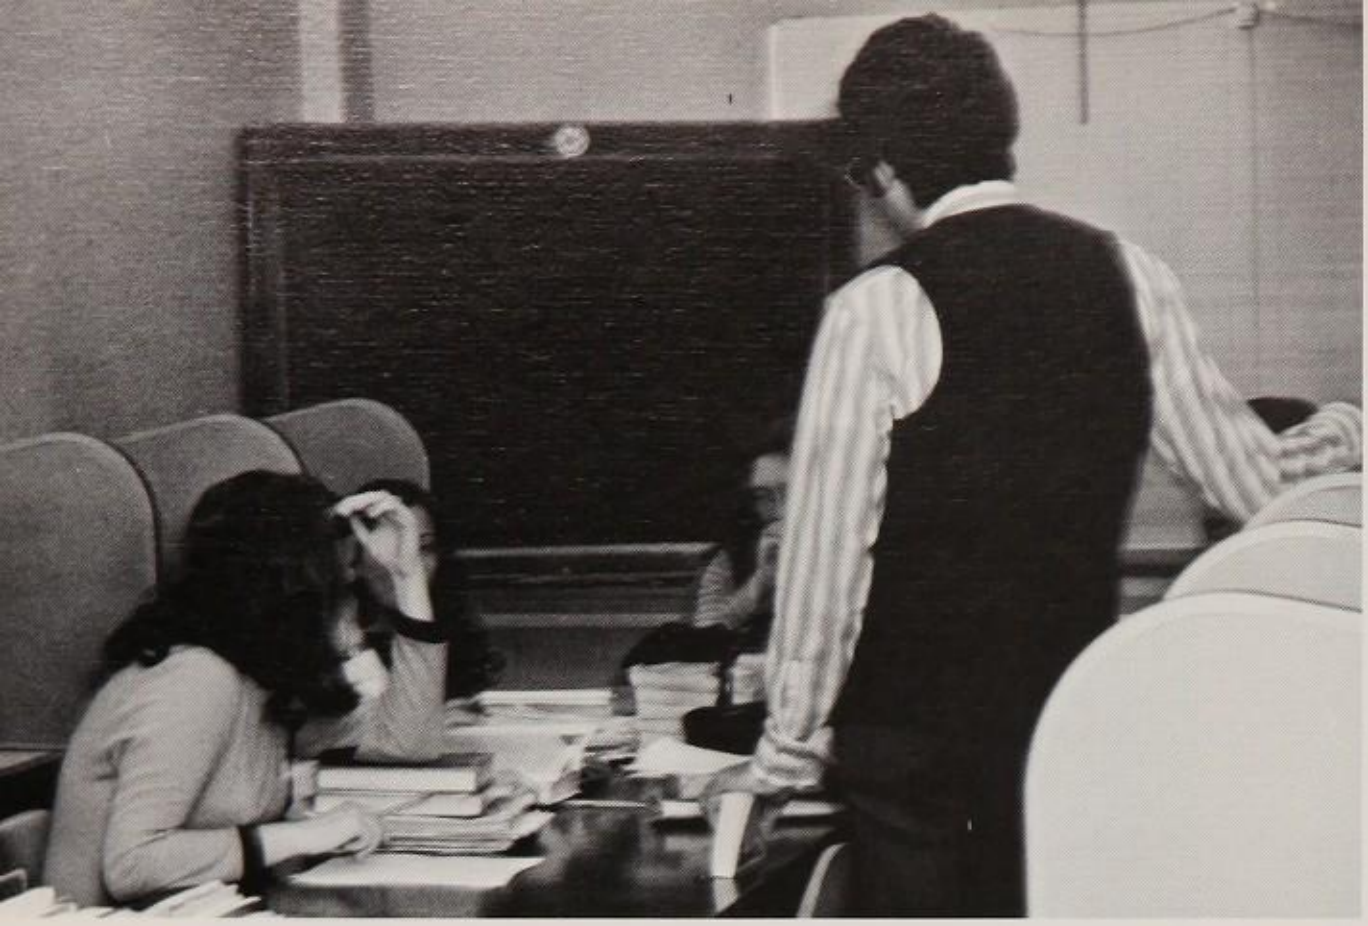
The Honor Society of H.H.S. is an organization that any student can be proud to belong to. However, membership is selective, and a student must meet certain high standards in order to qualify. Members of the organization are the best rounded individuals that the school has to offer. These students demonstrate the very highest ideals of Scholarship, Character, Leadership, and Service.

At this year's induction, 10%, or 21 seniors, and 5%, or 17 juniors were "tapped" by the 15 seniors who were inducted last year. The guest speaker, Dr. Joseph Seidlin stressed the four guiding principles of the Honor Society, and the responsibilities placed upon each of the new inductees to uphold the standards of the society. There was a reception held immediately following the ceremony for all parents, with refreshments being served by the senior girls.



Under the leadership of a new director, Mr. Cali, the Latin Club, or more appropriately the Junior Classical League, strove to increase interest in this year's Latin Program in the school. Such events as the Saturnalia and the Christmas Party made this year's club a most active organization. But more than anything else, this year's Latin Club tried to provide all of its members with an ability to adequately use the Latin language, while having fun at the same time. And from the enthusiasm demonstrated by its members, it is safe to say they succeeded.

"Mum's" the word

One of Hornell's most important but least participated in clubs is the Library Club. The girls in this organization spend long hours helping Mrs. Hammond and Mrs. Phillips run the library smoothly and efficiently. They perform duties such as shelving books, pasting on torn covers, and checking in and out books to help lessen their advisors load.

With one of Hornell High's greatest Mathematicians, Mrs. Cannon as advisor, the 1971 Math Club has been busy trying to keep up with the very complicated and difficult Modern Math. To be in the club, each member must have an average of at least 85 in college acceptable Math. Our Math Club, or Mu Alpha Theta's members truly consider it an honor to belong to this organization.

Editors turn over new leaf

Editor-In-Chief—Dede Argentieri

We, the editors of the 1971 Maple Leaf, would like to here express our feelings on the production of this year's book. First, the book was not meant to single out any individual or group for criticism. We feel that the book merely is reflective of the "free spirit" of ages past. We did not feel obligated to say those things that a yearbook is traditionally expected to say, and we were generally granted a freedom of voice by our advisor, Mr. Brown. Although our opinions sometimes differed, our friendship with him remained firm.

The production of a yearbook, however, is always confronted with problems. We had ours. Some of our editors were slack in fulfilling their jobs. We were hurt by a lack of student interest, both in working for and buying the book, and therefore we also met with financial problems. In spite of these obstacles, we not only succeeded in producing what we feel to be one of the finest yearbooks ever to come out of this school, but also by meeting every deadline, a feat not readily accomplished by past yearbook staffs.

In closing, we would like to thank the few students who have aided us, our advisor, the school administration, and a special thanks to Mary Hogan.

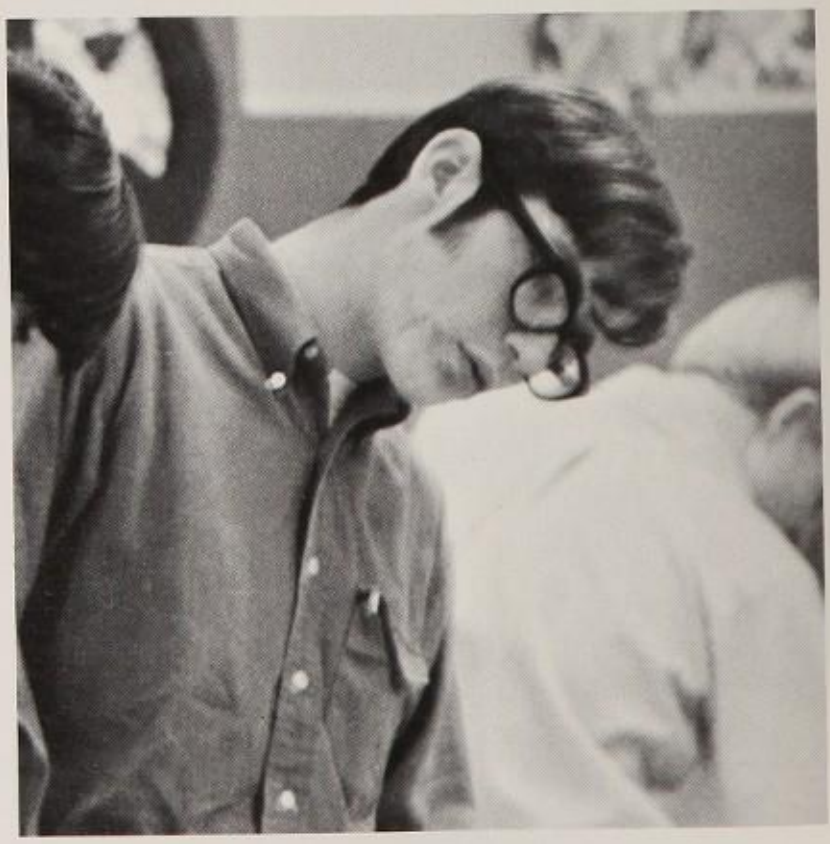
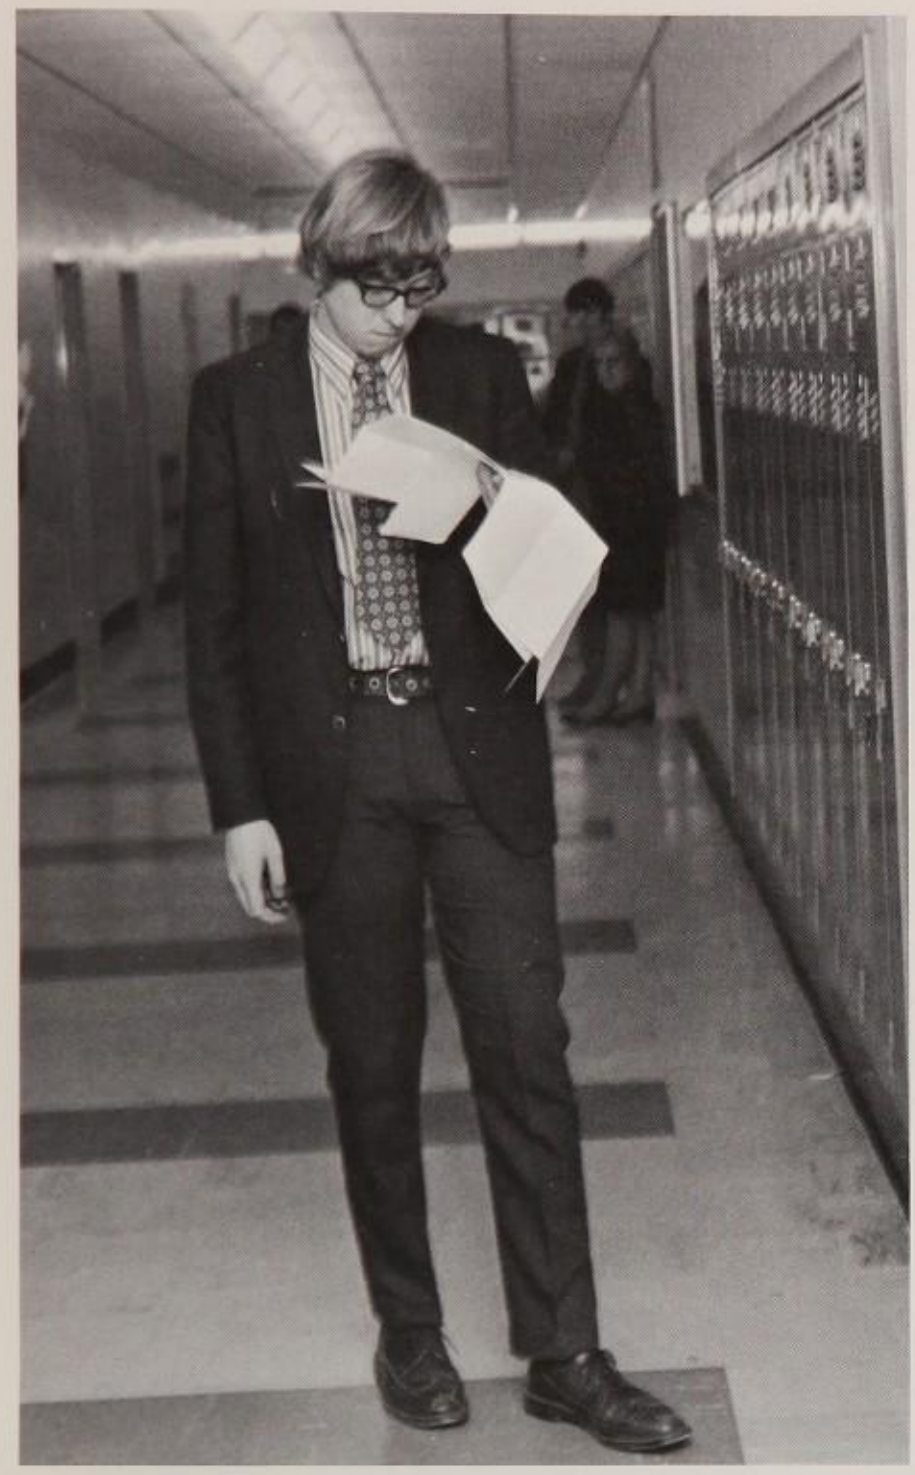
The Staff





Under Editor-in-chief Dede Argentieri, the 1971 Maple Leaf has seen many changes and improvements.

The major innovation was in the layout, which was made a flowing, logical creation. The style was based on mosaic and Mondrian patterns, involving dominant pictures, horizontal planes, and white space.

Next, the book was increased in volume, and a new texture of paper was used, making it possible to put special effects throughout the book such as duotone, reverse printing, and color.

We found the cover to be a matter of debate in the school. Students were about equally divided as to whether we should use the seal or not, therefore we have tried to stylishly design the cover in a new way, and then emboss the seal on the inside page.

There has been a transition in senior section and the advertising section by the use of more candids, making the book more interesting and moving than before.

We hope that the changes we have made in our book are to the satisfaction of the rest of the student body. We have taken the opinions of others into consideration to produce what we feel is an exceptional book.

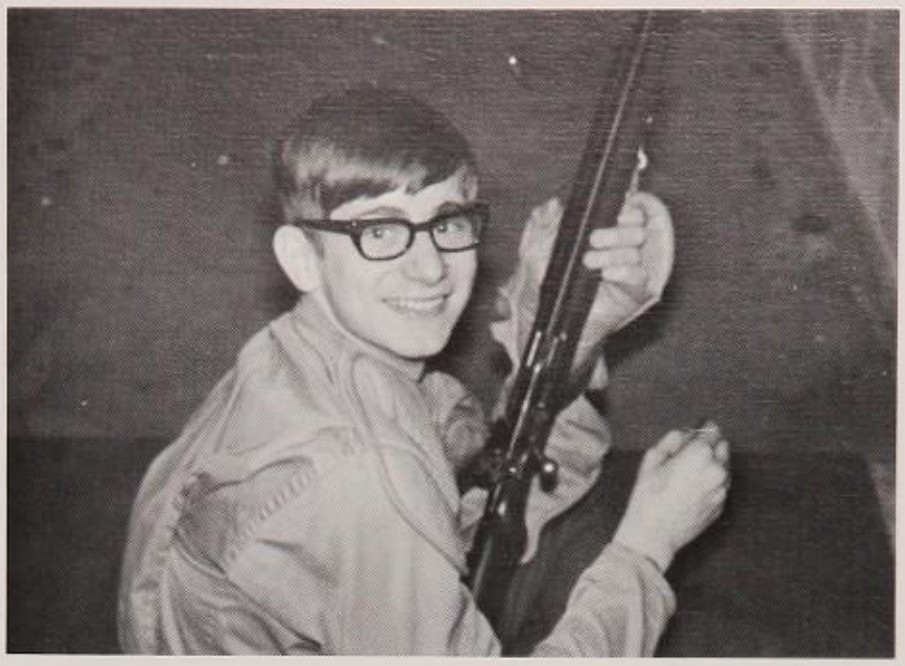
The Riding Club became a victim of hard knocks this year as the members went from one problem to another. The decision was made to break with the school and become a private club rather than to cut down on the number of lessons due to transportation difficulties. Then, unable to hold a social, the club slid into the pit of bankruptcy from which the members are crawling slowly out of with the aid of numerous bakesales.

Rifle Club has "bang up" year



This year the Rifle Club got off to a bang up start. A formative meeting was held in November and 50 members signed up. Bob Gentile was elected president and Jerry O'Connor vice president.

This year the club didn't compete interscholastically, but there were matches between club members often.

The club is affiliated with the National Rifle Association. Members try for N.R.A. individual awards which range from Pro-marksman to Distinguished Expert.

Mr. Straight and Mr. Spencer, the clubs advisors, said that they were trying to get some interscholastic matches set for next year, but the club's main purpose is to teach the students safe handling of Fire Arms.

So if you are ever walking through the parking lot on a Tuesday or Thursday night and hear gun fire, never fear! We're not being invaded: it's only the Rifle Club.

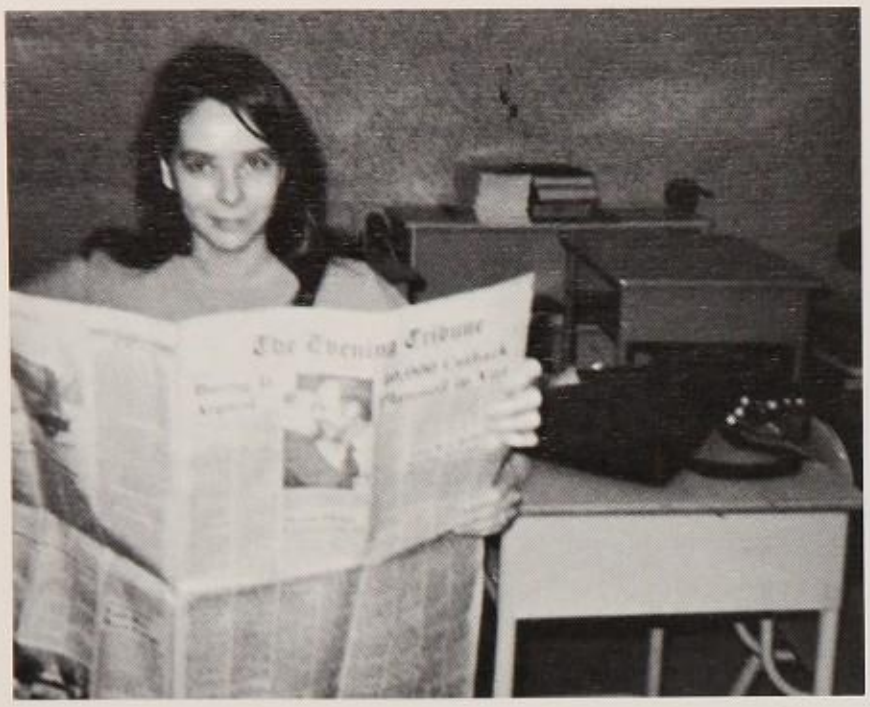
G.S.C. alias Santa's helpers



Girl's Service Club is one of the cornerstones of H.H.S. The club was slow in functioning this year, but once initiated it came on full blast. The group bought toys at Christmas for Project Santa Claus, they donated money to the March of Dimes, sponsored a dance, to only mention a few of their activities.

The club is selective in it's members, for in order to qualify for the group the girls must have an average of 80.

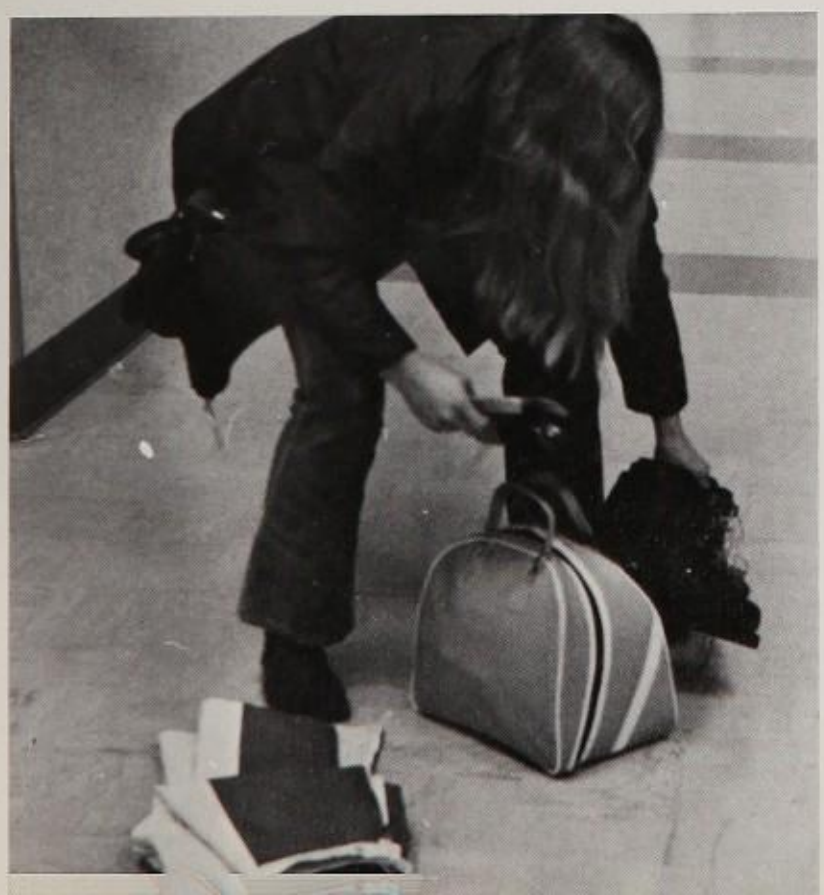
This year's Ski Club was one of the largest ever, and was composed of both Junior and Senior High students. The skiers headed for the Swain slopes every Friday afternoon for six weeks during January and February.

For many of those who participated, this was their first time on skiis and much of their time was spent mastering the basic techniques of the snowplow and traverse. The more advanced skiers spent the night perfecting the parallel and sideslip on the more difficult Clark Slope.

Every Friday night at 9:30, though, the lifts closed down, and the slope lights dimmed, the tired skiers boarded the buses to head for home.



In the field of electric guitars and rock music, many people are glad to be able to listen to the easy moving arrangements played by the Hornell High Stage Band. Featuring four cornets, four trombones, five saxophones, an organ and a drummer, this group played a wide variety of songs. These numbers ranged from the popular "My Funny Valentine," to an updated version of "The Nearness of You," and the modern "Sunny." Practicing Tuesday and Thursday noons, this group made a spring showing, as well as appearances for the Kiwanis Club and for numerous Hornell groups. The Stage Band was thoroughly appreciated by all who heard them and showed to the public a fine group of young musicians.

Since their beginning a few years back, the Varsity Swingers has become one of the most popular musical groups in Hornell High.

Some of the Swingers activities in this year included singing at Rotary, at the Y.M.C.A., performing at the Christmas Assembly, which was taped for T.V., and singing at St. Ann's. They also planned to go to Trumonsburg to sing for the schools in that area.

With the donations that the Swingers received for their performances, they bought new green and yellow outfits for their shows.

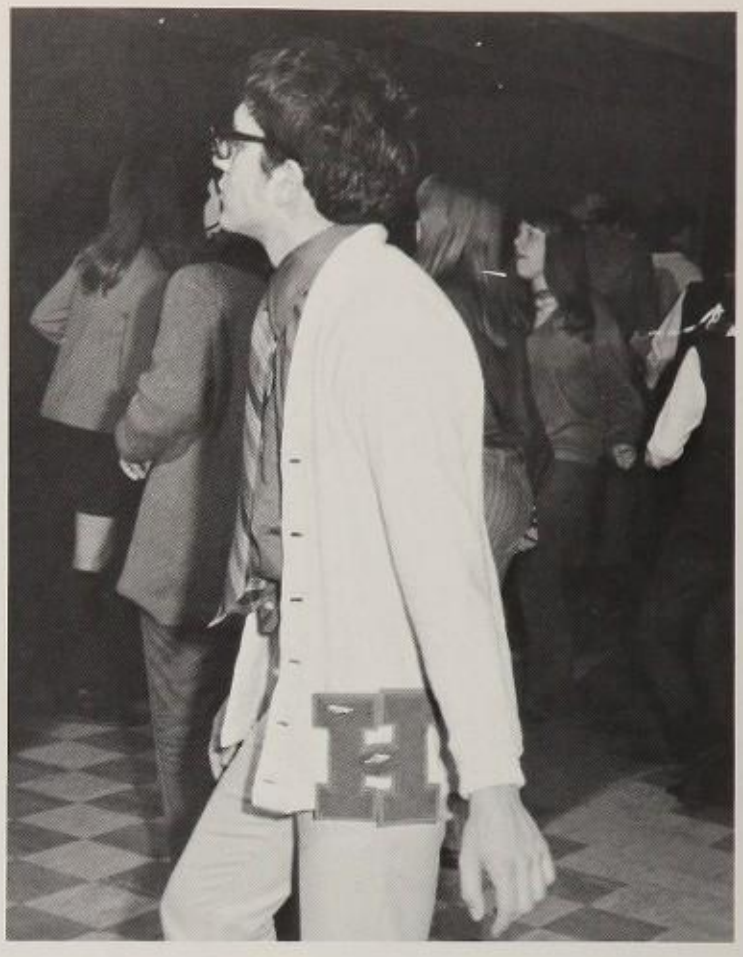
The Student Council has given Hornell High a government for the school by the students.

Some of this years activities, under President Bill Pullman, included sponsoring the A.F.S. student, and an A.F.S. exchange program with E.F.A., our new student lounge, with the coke and candy machines, putting on the Christmas Dance with the Sunn, the magazine drive, the food drive, a drug council, a trip to Alfred to an area Student Council Meeting, and they are also trying to get movies and an open cafeteria.

The group, consisting of self nominated students, met intermittently, and then reported back to the rest of the student body.

election procedures



The Hornell High Varsity Club is made up of a select group of athletes. To be a member of this club a sophomore must have one varsity letter, a junior two and a senior boy one, or be presently participating in a sport.

The Varsity club promotes sportsmanship between Hornell and opposing schools.

More of their activities include running the concession stand, a picnic at the end of the year, and having a dance.

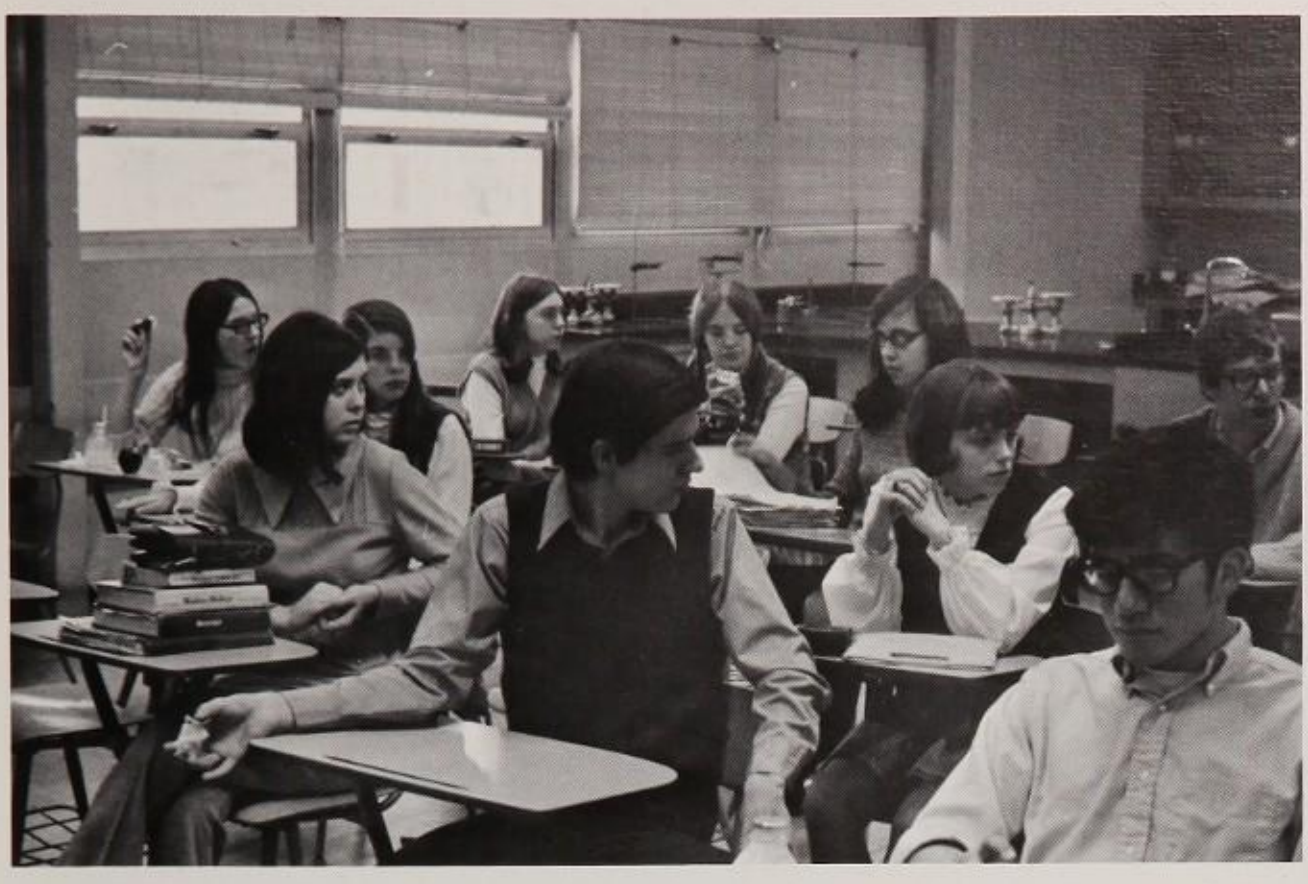
The Lettermen

Students go natural



Ecology, the study of man and his relationship to his environment, has recently been brought to the nation's attention. Some of the concerned students at Hornell High formed an ecology club so that they could try to clean up a small part of the environment and teach people how they can keep the environment clean.

The club planned many projects. One was a tree selling and a tree planting expedition. Another project was to teach Irving school sixth graders facts about the world around us.

In its first year this club didn't do too many material things, but it helped construct another step on the ladder to a clean earth.

Members of the Great Class of '71 leave behind them an enjoyable year of participation at H.H.S. Seniors head out for every part of the state and many will go to other states and nations to live and perhaps to die. But wherever they go, whatever they do, they will take with them the memory of Hornell High. The memory of acquaintances, happenings, and seniors in service to a community. Memories of an Ecology Club, begun with hopes for a better tomorrow, of an interested Student Council listening to the suggestions of an active and ambitious class. Seniors remember the special feelings of special events like the anxiety and success of the senior play's opening night, the warmth and happiness of the senior prom or the many-sided memories of teachers and fellow students.

Perhaps we will never use all the math, science and English which was hammered into us, but we will use the knowledge learned by meeting people and exchanging ideas with others. For it is only by communication with others that we may truly find ourselves.

Juniors generate

Never let it be said that Juniors have no spirit. Under the direction of their advisors, Mrs. Jane Cropp and Mrs. Alice Aultman, the Class of 1972 has seen many things happen. The Junior Prom, which was named "Atlantis" holds many memories for those that attended, and everyone agrees that its success made all the hard work worthwhile. Most of all, they are proud of their new class rings and the Red Raider symbol.

Sophomores sparkle

The class of '73 entered Hornell High uncertain as to their roles as sophomores and their educational goals. Frightened at first by the impersonality of the long, narrow, crowded halls and domineering upperclassmen, they began the search for their place at Hornell High.

After a year fraught with difficult adjustments and obstacles, sophomores emerged ready, able, but perhaps not so willing to take on the increased challenges of the 11th grade.
